**WHEREAS**, the District was created for the purpose of delivering certain community development services and facilities within and outside its jurisdiction; and

**WHEREAS**, the Board of Supervisors of the District (herein, the “Board”) has previously adopted Resolution No. 2023-13 on October 13, 2023 (the “Initial Bond Resolution”), pursuant to which the District authorized the issuance of not to exceed \$15,000,000 of its Special Assessment

Bonds to be issued in one or more Series to finance all or a portion of the District's capital improvement program to be built in one or more phases; and

**WHEREAS**, any capitalized term used herein and not otherwise defined shall have the meaning ascribed to such term in the Initial Bond Resolution; and

**WHEREAS**, it is deemed necessary to approve a revised First Supplemental Trust Indenture (the "First Supplemental") because of changes made since such instrument was previously approved pursuant to the Initial Bond Resolution; and

**WHEREAS**, the Board hereby determines to issue its Everlands II Community Development District Special Assessment Bonds, Series 2024 (the "2024 Bonds") in the principal amount of not exceeding \$10,000,000 for the purpose of providing funds to finance a portion of the public infrastructure within the District, as described in the District's *Engineer's Report – Infrastructure Improvements* accepted October 2023, as supplemented and amended from time to time ("Engineer's Report" which portion of the described improvements financed with the 2024 Bonds is herein referred to as the "2024 Project"); and

**WHEREAS**, the proceeds of the 2024 Bonds shall also fund a debt service reserve account, pay capitalized interest, if any, and pay the costs of the issuance of the 2024 Bonds.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Supervisors of the Everlands II Community Development District (the “Board”), as follows:

**Section 1. Negotiated Limited Offering of 2024 Bonds.** The District hereby finds that because of the complex nature of assessment bond financings in order to better time the sale of the 2024 Bonds and secure better interest rates, it is necessary and in the best interest of the District that the 2024 Bonds, in the aggregate principal amount of not exceeding \$10,000,000, be sold on a negotiated limited offering basis. The District hereby further finds that it will not be adversely affected if the 2024 Bonds are not sold pursuant to competitive sales.

**Section 2. Purpose.** The District has authorized its capital improvement plan for the development of the District, as set forth in the Engineer’s Report, and hereby authorizes the financing of a portion of the acquisition and construction of certain public infrastructure benefiting the assessable lands within the District by issuing the 2024 Bonds to finance a portion of such public infrastructure described in the Engineer’s Report and constituting the 2024 Project. The 2024 Project includes, but is not limited to, public roadway improvements, stormwater drainage facilities including related earthwork, water, sewer and reclaimed water facilities, landscaping, hardscaping and irrigation in public rights of way, differential cost of undergrounding electric utilities, all as more particularly described in the Engineer’s Report.

**Section 3. Sale of the 2024 Bonds.** Except as otherwise provided in the last sentence of this Section 3, the proposal submitted by the Underwriter offering to purchase the 2024 Bonds at the purchase price established pursuant to the parameters set forth below and on the terms and conditions set forth in the Bond Purchase Contract (attached hereto as Exhibit A), are hereby approved and adopted by the District in substantially the form presented. Subject to the last sentence of this Section 3, the Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby authorized to execute and deliver on behalf of the District, and the Secretary of the District is hereby authorized (if so required) to affix the seal of the District and attest to the execution of the Bond Purchase Contract in substantially the form presented at this meeting. The disclosure statements of the Underwriter, as required by Section 218.385, Florida Statutes, to be delivered to the District prior to the execution of the Bond Purchase Contract, a copy of which is attached as an exhibit to the Bond Purchase Contract, will be entered into the official records of the District. The Bond Purchase Contract, in final form as determined by counsel to the District and the Chairperson, may be executed by the District without further action provided that (i) the 2024 Bonds mature not later than the statutory permitted period; (ii) the principal amount of the 2024 Bonds issued does not exceed \$10,000,000; (iii) the interest rate on the 2024 Bonds shall not exceed the maximum rate permitted under Florida law; (iv) if the 2024 Bonds are subject to optional redemption which determination will be made on or before the sale date of the 2024 Bonds, the first optional call date and the redemption price shall be determined

on or before the execution of the Bond Purchase Contract; and (v) the purchase price to be paid by the Underwriter for the 2024 Bonds is not less than 98% of the par amount of the 2024 Bonds issued (exclusive of any original issuance discount).

**Section 4. The Limited Offering Memorandum.** The Limited Offering Memorandum, in substantially the form of the Preliminary Limited Offering Memorandum (subject to the other conditions set forth herein) attached hereto as Exhibit B, with such changes as are necessary to conform to the details of the 2024 Bonds and the requirements of the Bond Purchase Contract, is hereby approved. The District hereby authorizes the execution of the Limited Offering Memorandum and the District hereby authorizes the Limited Offering Memorandum, when in final form, to be used in connection with the limited offering and sale of the 2024 Bonds. The District hereby authorizes and consents to the use by the Underwriter of a Preliminary Limited Offering Memorandum substantially in the form attached hereto as Exhibit B, in connection with the limited offering of the 2024 Bonds. The final form of a Preliminary Limited Offering Memorandum shall be determined by the Underwriter and the professional staff of the District. The Limited Offering Memorandum may be modified in a manner not inconsistent with the substance thereof and the terms of the 2024 Bonds as shall be deemed advisable by Bond Counsel and counsel to the District, with final approval by the Chairperson. The Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby further authorized to execute and deliver on behalf of the District, the Limited Offering Memorandum and any amendment or supplement thereto, with such changes, modifications and deletions as the member of the Board executing the same may deem necessary and appropriate with the advice of Bond Counsel and counsel to the District, with final approval by the Chairperson, such execution and delivery to be conclusive evidence of the approval and authorization thereof by the District. The District hereby authorizes the Chairperson (or, in the absence of the Chairperson, any other member of the Board) to deem “final” the Preliminary Limited Offering Memorandum except for permitted omissions all within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934 and to execute a certificate in that regard.

**Section 5. Details of the 2024 Bonds.** The proceeds of the 2024 Bonds shall be applied in accordance with the provisions of the 2023 Indenture. The 2024 Bonds shall mature in the years and in the amounts, bear interest at such rates and be subject to redemption, all as provided in the First Supplemental. The execution of the First Supplemental shall constitute approval of such terms as set forth in the 2023 Indenture and this Resolution. The maximum aggregate principal amount of the 2024 Bonds authorized to be issued pursuant to this Resolution and the 2023 Indenture shall not exceed \$10,000,000.

**Section 6. Continuing Disclosure; Dissemination Agent.** The Board does hereby authorize and approve the execution and delivery of a Continuing Disclosure Agreement by the Chairperson (or, in the absence of the Chairperson, any other member of the Board) substantially in the form presented to this meeting and attached hereto as Exhibit C. The Continuing Disclosure Agreement is being executed by the District and the other parties thereto in order to assist the Underwriter in the marketing of the 2024 Bonds and compliance with Rule 15c2-12 of the Securities and Exchange Commission. Special District Services, Inc. is hereby appointed the initial dissemination agent.

**Section 7. Authorization of Execution and Delivery of the First Supplemental Trust Indenture; Application of Master Indenture.** The District does hereby authorize and approve the execution by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson or any other member of the Board) and the Secretary or any Assistant Secretary to attest and authorize the delivery of the previously approved Master Indenture and First Supplemental, both between the District and the Trustee. The 2023 Indenture shall provide for the security of the 2024 Bonds and express the terms of the 2024 Bonds. The First Supplemental shall be substantially in the form attached hereto as Exhibit D and is hereby approved, with such changes therein as are necessary or desirable to reflect the terms of the sale of the 2024 Bonds as shall be approved by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson, or any other member of the Board) executing the same upon the advice of Bond Counsel and counsel to the District, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of the First Supplemental attached hereto as Exhibit D.

Board of Supervisors  
Everlands II Community Development District  
City of Palm Bay, Florida

Ladies and Gentlemen:

FMSbonds, Inc. (the “Underwriter”) offers to enter into this Bond Purchase Contract (the “Purchase Contract”) with the Everlands II Community Development District (the “District”). The District is located entirely within the City of Palm Bay, Florida (the “City”) in Brevard County, Florida (the “County”). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the “Board”), expire at 10:00 P.M. prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. **Purchase and Sale.** Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its aggregate principal amount of \$(PAR) Everlands II Community Development District Special Assessment Bonds, Series 2024 (the “Bonds”). The Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Bonds shall be \$\_\_\_\_\_ (representing the \$(PAR).00 aggregate principal amount of the Bonds, [plus/less net original issue premium/discount] of \$\_\_\_\_\_ less an underwriter’s discount of \$\_\_\_\_\_). The payment for and delivery of the Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the “Closing”.

2. **The Bonds.** The Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the “State”) created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (collectively, the “Act”), created by Ordinance No. 2023-27 enacted by the City Council of the City on July 20, 2023 (the “Ordinance”). The Bonds are being issued by the District pursuant to

the Act, Resolution No. 2023-13 and Resolution No. 2024-02 duly adopted by the Board on October 13, 2023 and June 14, 2024, respectively (collectively, the “Bond Resolution”), and secured pursuant to the provisions of a Master Trust Indenture, dated as of June 1, 2024 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of June 1, 2024 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). The Series 2024 Special Assessments comprising the Series 2024 Pledged Revenues for the Bonds have been levied by the District on those lands within the District specially benefited by the 2024 Project (as defined in the herein defined Preliminary Limited Offering Memorandum) pursuant to Resolution No. 2023-14, Resolution No. 2023-16, and Resolution No. 2023-19 of the District duly adopted on October 13, 2023, October 13, 2023, and December 8, 2023, respectively (collectively, the “Assessment Resolutions”).

3. **Limited Offering; Establishment of Issue Price.** It shall be a condition to the District’s obligation to sell and to deliver the Bonds to the Underwriter, and to the Underwriter’s obligation to purchase, accept delivery of and pay for the Bonds, that the entire principal amount of the Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) The District will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of Bonds. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(c) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(1) “public” means any person other than an underwriter or a related party,

(2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in

clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public), and

(3) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

Everlands II Community Development District  
City of Palm Bay, Florida

Re: \$[PAR] Everlands II Community Development District Special Assessment Bonds,  
Series 2024

Dear Ladies and Gentlemen:

Pursuant to Chapter 218.385, Florida Statutes, and with respect to the issuance of the Bonds, FMSbonds, Inc. (the “Underwriter”), pursuant to a Bond Purchase Contract dated [Pricing Date] (the “Bond Purchase Contract”), between the Underwriter and Everlands II Community Development District (the “District”), furnishes the following disclosures to the District in connection with the limited offering and sale of the Bonds:

1. The total underwriting discount paid to the Underwriter pursuant to the Bond Purchase Contract for the Bonds is approximately \$\_\_\_\_\_ per \$1,000.00 or \$\_\_\_\_\_.
2. The names, addresses and estimated amounts of compensation of any person who is not regularly employed by, or not a partner or officer of, the Underwriter, bank, banker, or financial consultant or advisor and who enters into an understanding with either the District or the Underwriter, or both, for any paid or promised compensation or valuable consideration directly, expressly or impliedly, to act solely as an intermediary between the District and the Underwriter for the purposes of influencing any transaction in the purchase of the Bonds are: None.
3. The nature and estimated amounts of expenses to be incurred by the Underwriter in connection with the issuance of the Bonds are set forth in Schedule I attached hereto.
4. The management fee charged by the Underwriter is: \$0/\$1,000 or \$0.
5. Any other fee, bonus or other compensation estimated to be paid by the Underwriter in connection with the Bonds to any person not regularly employed or retained by the Underwriter in connection with the Bonds is as follows: None. Squire Patton Boggs (US) LLP has been retained as counsel to the Underwriter and will be compensated by the District.

Pursuant to the provisions of Sections 218.385(2) and (3), Florida Statutes, as amended, the following truth-in-bonding statements are made with respect to the Bonds:

The District is proposing to issue \$[PAR] aggregate amount of the Bonds for the purpose of providing funds to: (i) pay the costs of acquiring and/or constructing a portion of the 2024 Project (as defined in the Preliminary Limited Offering Memorandum), (ii) fund interest on the Series 2024 Bonds through at least December 15, 2024, (iii) fund the Series 2024 Reserve Account in an amount equal to the initial Series 2024 Reserve Requirement, and (iv) pay the costs of issuance of the Bonds.

This debt or obligation is expected to be repaid over a period of approximately \_\_\_ years and \_\_\_ months. At a true interest cost rate of \_\_\_\_\_%, total interest paid over the life of the Bonds will be \$\_\_\_\_\_.

The source of repayment for the Bonds are the Series 2024 Special Assessments imposed and collected by the District. Based solely upon the assumptions set forth in the paragraph above, the issuance of the Bonds will result in approximately \$\_\_\_\_\_ (representing the average annual debt service payments due on the Bonds) of the District's special assessment revenues not being available to the District on an annual basis to finance other capital projects of the District; provided however, that in the event that the Bonds were not issued, the District would not be entitled to impose and collect the Series 2024 Special Assessments in the amount of the principal of and interest to be paid on the Bonds.

Re: \$[PAR] Everlands II Community Development District Special Assessment Bonds,  
Series 2024

Ladies and Gentlemen:

We have acted as Bond Counsel to the Everlands II Community Development District (the “District”), a community development district established and existing pursuant to Chapter 190 of the Florida Statutes, as amended (the “Act”), in connection with the issuance by the District of its \$[PAR] aggregate principal amount of Everlands II Community Development District Special Assessment Bonds, Series 2024 (the “Bonds”). The Bonds are secured pursuant to that certain Master Trust Indenture, dated June 1, 2024 (the “Master Indenture”), as supplemented by that certain First Supplemental Trust Indenture, dated as of June 1, 2024 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”) each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”).

In connection with the rendering of this opinion, we have reviewed records of the acts taken by the District in connection with the authorization, sale and issuance of the Bonds, were present at various meetings and participated in various discussions in connection therewith and have reviewed such other documents, records and other instruments as we deem necessary to deliver this opinion.

The District has entered into a Bond Purchase Contract dated [Pricing Date] (the “Purchase Contract”) with the herein defined Underwriter, for the purchase of the Bonds. Capitalized words used, but not defined, herein shall have the meanings ascribed thereto in the Purchase Contract.

Based upon the forgoing, we are of the opinion that:

1. The sale of the Bonds by the District is not subject to the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”), pursuant to the exemption provided in Section 3(a)(2) of the Securities Act.

2. The Indenture is exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended.

3. The information in the Limited Offering Memorandum under the captions “INTRODUCTION,” “DESCRIPTION OF THE SERIES 2024 BONDS” (other than the

subheading “Book-Entry Only System”), “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS” (other than the subheading “Assessment Methodology / Projected Level of District Assessments”), and “APPENDIX A – PROPOSED FORMS OF INDENTURE” insofar as such statements constitute descriptions of the Bonds or the Indenture, are accurate as to the matters set forth or documents described therein and the information under the captions “TAX MATTERS,” and “AGREEMENT BY THE STATE” insofar as such information purports to describe or summarize certain provisions of the laws of the State of Florida (the “State”), and the provisions of the Internal Revenue Code of 1986, as amended (the “Code”) is correct as to matters of law.

This letter is furnished by us as Bond Counsel. No attorney-client relationship has existed or exists between our firm and FMSbonds, Inc. (the “Underwriter”) in connection with the Bonds or by virtue of this letter. This letter is delivered to the Underwriter solely for its benefit as Underwriter and may not be used, circulated, quoted or otherwise referred to or relied upon by the Underwriter for any other purpose or by any other person other than the addressees hereto. This letter is not intended to, and may not be, relied upon by holders of the Bonds.

Very truly yours,

### **OPINION OF DISTRICT COUNSEL**

Everlands II Community Development District  
City of Palm Bay, Florida

FMSbonds, Inc.  
North Miami Beach, Florida

U.S. Bank Trust Company, National Association, as Trustee  
Fort Lauderdale, Florida

Re: \$[PAR] Everlands II Community Development District Special Assessment Bonds,  
Series 2024

Ladies and Gentlemen:

We have served as counsel to Everlands II Community Development District (the “District”) in connection with the issuance of the above-referenced bonds (the “Bonds”).

Unless otherwise expressly defined herein, capitalized terms used herein shall have the respective meanings assigned to them in the Master Trust Indenture dated as of June 1, 2024, as supplemented by the First Supplemental Trust Indenture, dated as of June 1, 2024 (collectively, the “Indenture”) each between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”) and in the Bond Purchase Contract dated [Pricing Date] (the “Purchase Contract”), between the District and FMSbonds, Inc., as Underwriter.

Based upon the foregoing and subject to the qualifications set forth below, we are of the opinion that:

1. The District has been established and validly exists as a community development district and independent local unit of special-purpose government under applicable Florida law. The Purchase Contract, the Indenture, the DTC Letter of Representations, the Continuing Disclosure Agreement, the True-Up Agreement, the Acquisition Agreement, the Collateral Assignment and the Completion Agreement (collectively, the “Financing Documents”) and the Bonds have been duly authorized, executed and delivered, and assuming due execution by the other party(ies) thereto, if applicable, the Financing Documents, the Bonds, Resolution No. 2023-13 and Resolution No. 2024-02 duly adopted by the Board on October 13, 2023 and June 14, 2024, respectively (collectively, the “Bond Resolution”), and Resolution 2023-14, Resolution No. 2023-16 and Resolution No. 2023-19 duly adopted by the Board on October 13, 2023, October 13, 2023, and December 8, 2023, respectively (collectively, the “Assessment Resolution”), constitute legal, valid and binding obligations of the District, enforceable in accordance with their respective terms, except to the extent that the enforceability of the rights and remedies set forth therein may be limited by bankruptcy, insolvency, and similar laws affecting creditors’ rights generally and general principles of equity. The Bond Resolution and the Assessment Resolution are in full force and effect.

2. There is no litigation or other proceeding now pending of which the District or its registered agent has received notice or service of process, or to our best knowledge, threatened against the District: (a) contesting the existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (b) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memorandum or the collection of Series 2024 Special Assessments or the pledge of and lien on the Series 2024 Pledged Revenues pursuant to the Indenture; (c) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District relating to authorization for the issuance of the Bonds or the authorization of the Bond Resolution, the Assessment Resolution, the Financing Documents or the application of the proceeds of the Bonds for the purposes set forth in the Limited Offering Memorandum; (d) specifically contesting the federal or state tax status of the Bonds; or (e) contesting the completeness or accuracy of the Preliminary Limited Offering Memorandum or the Limited Offering Memorandum or any supplement or amendment thereto.

3. The District has duly authorized, executed, and delivered the Limited Offering Memorandum.

4. Based upon our limited participation in the preparation of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum (collectively, the “Limited Offering Memoranda”), as counsel to the District, the statements contained in the Limited Offering Memoranda as they relate to the District under the captions “LITIGATION – The District” and “VALIDATION,” are fair and accurate. The information set forth under the captions “INTRODUCTION,” “ENFORCEMENT OF ASSESSMENT COLLECTIONS,” “THE DISTRICT” (except as to the statements contained under “The District Manager and Other Consultants”), “ASSESSMENT METHODOLOGY” (with respect to the second paragraph only), “AGREEMENT BY THE STATE,” “LEGALITY FOR INVESTMENT,” “CONTINUING DISCLOSURE,” “ENFORCEABILITY OF REMEDIES” and “AUTHORIZATION AND APPROVAL,” is a fair and accurate summary of the law relating to collection and enforcement of special assessments and the documents and facts summarized therein.

5. The District is not, in any manner material to the issuance of the Bonds, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State or the United States, or to the best of our knowledge, any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement, or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax laws or with any state “Blue Sky” or other securities laws, as may be applicable.

6. The execution and delivery of the Bonds, the Financing Documents, and the adoption of the Bond Resolution and the Assessment Resolution and compliance with the provisions on the District’s part contained therein will not conflict with or constitute a breach of or default under any applicable constitutional provision or law, or to the best of our knowledge, under any administrative regulation, judgment, decree, loan agreement, indenture, bond, note,

resolution, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as expressly provided by the Bonds and the Indenture. To the best of our knowledge after due inquiry, the District has taken no action which, with the lapse of time or the giving of notice, or both would constitute a material default or event of default by the District under the Bonds or the Financing Documents.

7. To the best of our knowledge after investigation, all consents, permits or licenses, and all notices to or filings with governmental authorities necessary for the consummation by the District of the transactions described in the Limited Offering Memoranda and contemplated by the Indenture required to be obtained or made, have been obtained or made or there is no reason to believe they will not be obtained or made when required, provided that no opinion is expressed as to the applicability of or compliance with tax laws, state “Blue Sky” laws or other securities laws.

8. The District has the right and authority under the Act and other state law to adopt the Bond Resolution and the Assessment Resolution, to issue the Bonds, to purchase the 2024 Project being financed with the proceeds of the Bonds and to levy the Series 2024 Special Assessments that will secure the Bonds, and has duly adopted the Bond Resolution and the Assessment Resolution. The District has or can acquire good and marketable title to the 2024 Project free of all liens and encumbrances except such as will not materially interfere with the proposed uses thereof.

9. All proceedings undertaken by the District with respect to the Series 2024 Special Assessments securing the Bonds, including adoption of the Assessment Resolution, were undertaken in accordance with Florida law, and the District has taken all necessary action as of the date hereof to levy and impose the Series 2024 Special Assessments. The Series 2024 Special Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Series 2024 Special Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid, excluding federal tax liens.

10. The Bonds have been validated by a final judgment of the Eighteenth Circuit Court in and for Brevard County, Florida, of which no timely appeal was filed.

11. The District has the full power and authority to own and operate the 2024 Project.

12. All conditions prescribed in the Indenture and the Purchase Contract to be performed by the District as precedent to the issuance of the Bonds have been fulfilled.

In rendering the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. Other than the signatures of District officers and members of the Board, we have also assumed the genuineness of the signatures appearing on such public records, certifications, documents and proceedings. We have also assumed the due

authorization, execution and delivery of each document by each of the other respective parties thereto.

Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

The opinions or statements expressed above are based solely on the laws of Florida and the United States of America, excluding matters of compliance with or applicability of tax laws, "Blue Sky" laws or other securities laws. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of any other state or jurisdiction.

This opinion is solely for the benefit of the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

Very truly yours,

[Closing Date]

Everlands II Community Development District  
City of Palm Bay, Florida

FMSbonds, Inc.  
North Miami Beach, Florida

Re: \$[PAR] Everlands II Community Development District Special Assessment Bonds,  
Series 2024

Ladies and Gentlemen:

We have acted as special counsel for DRP FL 6, LLC, a Delaware limited liability company (“DRP Landowner”), which owns land within the residential community known as Everlands II (“Development”) located within the Everlands II Community Development District (“District”), in the City of Palm Bay, Florida, in connection with the issuance of the District’s above-referenced Bonds (“Bond Transaction”), as described in:

- (a) The Preliminary Limited Offering Memorandum dated [PLOM Date] (“Preliminary Limited Offering Memorandum”); and
- (b) The Limited Offering Memorandum dated [Pricing Date] (the “Limited Offering Memoranda”), including but not limited to Appendix C of which is the Everlands II Community Development District Engineering Report dated October 2023 (the “Engineer’s Report”).

This opinion is delivered specifically in connection with the execution and delivery by DRP Landowner of the following documents, each of even date herewith, all relating to the Bonds (collectively, the “DRP Landowner Documents”), all dated as of [Closing Date] (the “Closing Date”), which we have examined in our limited capacity as special counsel:

- (c) The Declaration of Consent to Jurisdiction of the Everlands II Community Development District (Imposition of Series 2024 Special Assessments, and Imposition of Lien of Record);
- (d) the True-Up Agreement, dated [Closing Date] between the DRP Landowner and the District;
- (e) The Collateral Assignment and Assumption of Development Rights Relating to the Development, in recordable form by and between the District, the Developer and the DRP Landowner, dated [Closing Date];

- (f) The Certificate of DRP Landowner dated as of the Closing Date (“Certificate of DRP Landowner”); and
- (g) The Continuing Disclosure Agreement, dated as of the Closing Date, by and among the District, the Developer and DRP Landowner and the Dissemination Agent named therein.

Further, we have reviewed the following organizational documents (collectively, the “DRP Landowner Organizational Documents”):

- (h) Articles of Organization filed with the Delaware Secretary of State on \_\_\_\_\_ 20\_\_ as Document No. \_\_\_\_\_, as amended from time to time;
- (i) Operating Agreement of DRP FL 6, LLC, a Delaware limited liability company, dated \_\_\_\_\_, 20\_\_ (“DRP Landowner’s Operating Agreement”); and
- (j) Certificate of Good Standing and Active Status, dated \_\_\_\_\_, 2024, issued by the Florida Secretary of State as to \_\_\_\_\_, 2024;

Finally, we have examined the following permitting and related engineering documents (collectively, the “DRP Landowner Permitting Documents”): [insert any necessary documents.]

The opinions expressed herein are subject to the following assumptions and qualifications:

[Insert customary assumptions and qualifications.]

Based upon the foregoing, and subject to the assumptions and qualifications set forth herein, we are of the opinion that:

1. The DRP Landowner is a Delaware limited liability company, duly organized, whose status is “Active” under the laws of the State of Florida.
2. The DRP Landowner has the power to conduct its business and to undertake the Development as described in the Limited Offering Memoranda and to enter into the DRP Landowner Documents.
3. The DRP Landowner Documents have been authorized by all necessary corporate action, executed and delivered by DRP Landowner, and the DRP Landowner Documents constitute legal, valid and binding obligations of DRP Landowner, enforceable in accordance with their respective terms.
4. The execution, delivery, and performance of the DRP Landowner Documents by DRP Landowner do not violate (a) DRP Landowner’s Operating Agreement, (b) to our knowledge, any agreement, instrument or Federal or Florida law, rule or regulation to which DRP Landowner is a party or by which DRP Landowner’s assets are or may be bound; or (c) to our knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on DRP Landowner or its assets.

5. Nothing has come to our attention that would lead us to believe the information contained in the Limited Offering Memoranda under the captions “THE DEVELOPMENT,” “THE DEVELOPER AND THE DRP LANDOWNER,” “LITIGATION – The DRP Landowner” and “CONTINUING DISCLOSURE” (as it relates to the DRP Landowner only) does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact, nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the respective dates of the Limited Offering Memoranda or as of the date hereof.

6. To our knowledge, the DRP Landowner is in compliance in all material respects with all provisions of applicable law in all material matters relating to the development of the Development, including the 2024 Project, as described in the Limited Offering Memoranda. Except as described in the Limited Offering Memoranda, including, without limitation the section thereof entitled “THE DEVELOPMENT – Zoning and Permitting”: (a) we have confirmed DRP Landowner has received the approvals and permits for the development of the Development as described in the Limited Offering Memoranda, and that the DRP Landowner intends to obtain the remaining permits for the Development in the ordinary course; and (b) we have no actual knowledge of any default of any zoning condition, land use permit, or development agreement which would adversely affect DRP Landowner’s ability to complete development of the Development as described in the Limited Offering Memoranda.

7. The levy of the Series 2024 Special Assessments on the lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which DRP Landowner is a party or to which DRP Landowner or any of its property or assets is subject.

8. There is no pending or threatened litigation which would prevent or prohibit the development of the Development in accordance with the description thereof in the Limited Offering Memoranda and the 2024 Project in accordance with the description thereof in the Engineer’s Report, or which may result in any material adverse change in the business, properties, assets or financial condition of DRP Landowner.

9. The DRP Landowner has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. The DRP Landowner has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. The DRP Landowner is not in default under any mortgage, trust indenture, lease or other instrument to which it is subject or by which it or its properties are or may be bound, which would have a material adverse effect on the Bonds or the development of the Development.

Very truly yours,

Fox Rothschild LLP

Representatives of the Developer have provided information to Everlands II Community Development District (the “District”) to be used in connection with the offering by the District of its \$[PAR] aggregate principal amount of Special Assessment Bonds, Series 2024, pursuant to a Preliminary Limited Offering Memorandum dated [PLOM Date] and a final Limited Offering Memorandum dated [Pricing Date] (collectively, the “Limited Offering Memoranda”).

3. Each of the Acquisition Agreement, dated [Closing Date] between the Developer and the District, the True-Up Agreement, dated [Closing Date] between the Developer and the District, the Completion Agreement, dated [Closing Date] between the Developer and the District, the Declaration of Consent to Jurisdiction of the Everlands II Community Development District (Imposition of Series 2024 Special Assessments, and Imposition of Lien of Record), the Collateral Assignment and Assumption of Development Rights Relating to the Development, in recordable form by and between the District, the Developer and the DRP Landowner, dated [Closing Date], and the Continuing Disclosure Agreement, dated [Closing Date] among the Developer, DRP FL 6, LLC (the “DRP Landowner”), the District and Special District Services, Inc., as dissemination agent (collectively, the “Developer Documents”), is a valid and binding obligation of the Developer, enforceable against the Developer in accordance with its terms. The execution and delivery by the Developer of the Developer Documents does not violate any judgment, order, writ, injunction or decree binding on Developer or any indenture, agreement, or other instrument to which the Developer is a party. There are no proceedings pending against or threatened in writing before any court or administrative agency relating to Developer which are either not covered by insurance or which singularly or collectively would have a material, adverse effect on the Developer’s ability to perform its obligations under the Developer Documents.

4. The Developer has reviewed and approved the Developer Documents and the information contained in the Limited Offering Memoranda under the captions “THE DEVELOPMENT” and “THE DEVELOPER AND THE DRP LANDOWNER” and with respect to the Developer and the Development (as such terms are used in the Limited Offering Memoranda) under the captions “BONDOWNERS’ RISKS,” “LITIGATION - The Developer” and “CONTINUING DISCLOSURE” and warrants and represents that such information does not contain any untrue statement of a material fact and does not omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading. In addition, the Developer is not aware of any other information in the Limited Offering Memoranda that contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

5. To the best of my knowledge, the Developer is in compliance in all material respects with all provisions of applicable law in all material matters relating to the Developer and the Development as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) all government permits and approvals required in connection with the construction of the Development and the 2024 Project as described in the Limited Offering Memoranda, other than certain permits and approvals, which permits and approvals are expected to be received as needed, have been received; (b) we are not aware of any default of any zoning condition, land use permit or development agreement which would adversely affect the Developer's ability to complete development of the Development and the 2024 Project as described in the Limited Offering Memoranda and all appendices thereto; and (c) we have no actual knowledge and are not otherwise aware of any reason to believe that any permits, approvals, consents and licenses required to complete development of the Development and the 2024 Project as described in the Limited Offering Memoranda will not be obtained in due course as required by the Developer.

6. The Developer is not insolvent. The Developer has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. The Developer has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

7. To the best of my knowledge, the levy of the Special Assessments (as defined in the Developer Documents) on the lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Developer is a party or to which the Developer or any of its property or assets is subject.

8. To the best of my knowledge, the Developer is not in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets is subject, which default would have a material adverse effect on the Series 2024 Bonds or the District.

9. To the best of my knowledge and in reliance on the environmental site assessments provided to the Developer, the Developer is not aware of any condition related to the District which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment.

10. That this certification is made with knowledge that it will be in full force and effect as of the date of the opinion letter of counsel to be signed and delivered by Holland & Knight LLP and will be relied upon by Holland & Knight LLP in connection with an opinion letter which is required to be given by Holland & Knight LLP as counsel for the Developer in connection with the District.

1. This certificate is furnished pursuant to Section 8(c)(20) of the Bond Purchase Contract dated [Pricing Date] (the “Purchase Contract”), by and between Everlands II Community Development District (the “District”) and FMSbonds, Inc. with respect to the \$[PAR] Everlands II Community Development District Special Assessment Bonds, Series 2024 (the “Bonds”). Capitalized terms used, but not defined, herein shall have the meaning assigned thereto in the Purchase Contract or the Limited Offering Memoranda relating to the Bonds, as applicable.

2. SDS has acted as district manager and methodology consultant to the Everlands II Community Development District (the “District”) in connection with the sale and issuance by the District of its Bonds and in connection with the preparation of the Preliminary Limited Offering Memorandum dated [PLOM Date] and the Limited Offering Memorandum dated [Pricing Date], including the appendices attached thereto (collectively, the “Limited Offering Memoranda”).

3. In connection with the issuance of the Bonds, we have been retained by the District to prepare the Master Special Assessment Methodology Report for Everlands II Community Development District dated October 13, 2023, as supplemented by the Final First Supplemental Special Assessment Methodology Report for Everlands II Community Development District dated [Pricing Date] (collectively, the “Assessment Methodology”), which Assessment Methodology has been included as an appendix to the Limited Offering Memoranda. We hereby consent to the use of such Assessment Methodology in the Limited Offering Memoranda and consent to the references to us therein.

4. As District Manager, nothing has come to our attention that would lead us to believe that the Limited Offering Memoranda, as they relate to the District, the 2024 Project, or any information provided by us, and the Assessment Methodology, as of their respective dates and as of this date, contained or contains any untrue statement of a material fact or omitted or omits to state a material fact necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

5. The information set forth in the Limited Offering Memoranda under the subcaptions “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Assessment Methodology / Projected Level of District Assessments”, “THE DISTRICT,” “ASSESSMENT METHODOLOGY,” “FINANCIAL INFORMATION,” “LITIGATION – The District,” “DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS,” “CONTINUING DISCLOSURE,” “CONTINGENT FEES,” and in “APPENDIX D: ASSESSMENT METHODOLOGY” did not as of the respective dates of the Limited Offering Memoranda and does not as of the date hereof contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

The Assessment Methodology and the assessment methodology set forth therein were prepared in accordance with all applicable provisions of Florida law. As described in more detail in the Assessment Methodology, the benefit to the assessable lands within the District from the 2024 Project equals or exceeds the Series 2024 Special Assessments, and the Series 2024 Special Assessments are fairly and reasonably allocated across all benefitted properties within the District.

7. As District Manager for the District, we are not aware of any litigation pending or, to the best of our knowledge, threatened against the District restraining or enjoining the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity of the Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, or the pledge or application of any moneys or security provided for the payment of the Bonds, or the existence or powers of the District.

8. The Series 2024 Special Assessments, as initially levied, and as may be reallocated from time to time as permitted by resolutions adopted by the District with respect to the Series 2024 Special Assessments are sufficient to enable the District to pay the debt service on the Bonds through the final maturity thereof.

**EVERLANDS II COMMUNITY DEVELOPMENT DISTRICT**  
**(CITY OF PALM BAY, FLORIDA)**  
**SPECIAL ASSESSMENT BONDS, SERIES 2024**

**INTRODUCTION**

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the Everlands II Community Development District (the “District” or “Issuer”) of its \$8,205,000\* Special Assessment Bonds, Series 2024 (the “Series 2024 Bonds”).

THE SERIES 2024 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2024 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON ANY TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2024 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2024 BONDS. SEE “BONDOWNERS’ RISKS” AND “SUITABILITY FOR INVESTMENT” HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”), and by Ordinance No. 2023-27 of the City Council of the City of Palm Bay, Florida (the “City Council”), enacted on July 20, 2023. The District was created for the purpose of delivering certain community development services and facilities for the benefit of the District Lands (as hereinafter defined) and has previously determined to undertake the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, and equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District encompass approximately 143.73+/- gross acres of land (the “District Lands”), located entirely within the incorporated area of the City of Palm Bay, Florida (the “City”) within Brevard County, Florida (the “County”). The District Lands constitute a portion of a master planned community known as “Everlands” (the “Master Development”). The Master Development is planned to contain approximately 4,000 residential units at buildout, of which 398 residential units are planned for the District Lands to be marketed under the name “Riverwood at Everlands” (the “Development”). The Master Development is planned to consist of multiple community development districts that will be created over time to facilitate the financing of the public infrastructure for the Master Development.

The Series 2024 Bonds are payable from and will be secured by the Series 2024 Pledged Revenues (as hereinafter defined), which consist primarily of the Series 2024 Special Assessments (as hereinafter defined), which will be levied on \_\_\_ developed and platted lots within the District and initially the remaining \_\_\_+/- unplatted gross acres of land within the District until such time as the remaining \_\_\_ planned lots within the District are platted. As platting of the remaining \_\_\_ lots occurs, the Series 2024 Special Assessments will be assigned to such platted lots on a first-platted, first-assigned basis as set forth

\* Preliminary, subject to change.

in the Assessment Methodology attached hereto. See “APPENDIX D – ASSESSMENT METHODOLOGY” for more information.

DRP FL 6, LLC, a Delaware limited liability company (the “DRP Landowner”) is the primary owner of the assessable lands within the District. The DRP Landowner entered into a Construction Agreement dated May 27, 2022, as may be amended and supplemented from time to time (the “Construction Agreement”) with Lennar Homes, LLC, a Florida limited liability company (the “Developer”) pursuant to which the Developer will manage the installation of infrastructure improvements for 1,338 lots within the Master Development (including the 398 lots in the Development). In addition, the DRP Landowner entered into the Option Agreement (as hereinafter defined) with the Developer pursuant to which the Developer has the option to purchase such 1,338 lots within the Master Development (including the 398 lots in the Development) in a series of takedowns. The Developer will construct and market such residential units for sale to homebuyers. As of the date hereof, the DRP Landowner owns the land planned for \_\_\_ lots within the Development and the Developer owns \_\_\_ lots within the Development. See “THE DEVELOPER AND THE DRP LANDOWNER” herein for more information regarding the Developer and the DRP Landowner and see “THE DEVELOPMENT – Development Plan / Status” herein for a summary of the current development status of the Development.

The Series 2024 Bonds are being issued by the District pursuant to the Act, Resolution Nos. 2023-13 and 2024-02, adopted by the Board of Supervisors of the District (the “Board”) on October 13, 2023 and June 14, 2024, respectively (collectively, the “Bond Resolution”), and a Master Trust Indenture dated as of June 1, 2024 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of June 1, 2024 (the “First Supplemental Indenture,” and collectively with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, a national banking association duly organized and existing under the laws of the United States of America and authorized to exercise corporate trust powers in the State (the “Trustee”). All capitalized terms used in this Limited Offering Memorandum that are not otherwise defined shall have the respective meanings set forth in the Indenture. See “APPENDIX A – PROPOSED FORMS OF INDENTURE.”

Proceeds of the Series 2024 Bonds will be used to provide funds for (i) the Costs of acquiring and/or constructing a portion of the 2024 Project (as hereinafter defined), (ii) the funding of the Series 2024 Reserve Account in an amount equal to the initial Series 2024 Reserve Requirement, (iii) the funding of interest on the Series 2024 Bonds through at least December 15, 2024, and (iv) the payment of the costs of issuance of the Series 2024 Bonds. See “THE 2024 PROJECT” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Series 2024 Bonds will be secured by a pledge of the Series 2024 Pledged Revenues. “Series 2024 Pledged Revenues” shall mean (a) all revenues received by the District from Series 2024 Special Assessments levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2024 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2024 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2024 Bonds; provided, however, that Series 2024 Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS” herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Developer, the DRP Landowner, the Development, the 2024 Project, and summaries of certain terms of the Series 2024 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statute, and all references to the Series 2024 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. The proposed forms of the Master Indenture and the First Supplemental Indenture appear in APPENDIX A hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

U.S. Bank Trust Company, National Association, a national banking association duly organized and existing under the laws of the United States of America and authorized to exercise corporate trust powers in the State, is initially serving as the Trustee, Registrar and Paying Agent for the Series 2024 Bonds.

## Redemption Provisions

### Optional Redemption

The Series 2024 Bonds may, at the option of the District, provided written notice thereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days’ notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after June 15, 20\_\_ (less than all Series 2024 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2024 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2024 Optional Redemption Subaccount of the Series 2024 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

### Mandatory Sinking Fund Redemption

The Series 2024 Bonds maturing on June 15, 20\_\_ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2024 Sinking Fund Account on June 15 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of Series 2024 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2024 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2024 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund payment amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below where an extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2024 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2024 Prepayment Principal deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account (taking into account the credit from the Series 2024 Reserve Account pursuant to the provisions of the First Supplemental Indenture) following the Prepayment in whole or in part of Series 2024 Special Assessments on any assessable property within the District in accordance with the provisions of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2024 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2024 Rebate Fund, the Series 2024 Costs of Issuance Account and Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account not otherwise reserved to complete the 2024 Project (including any amounts transferred from the Series 2024 Reserve Account) all of which have been transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

### Notice of Redemption and of Purchase

When required to redeem or purchase Series 2024 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall give or cause to be given notice of the redemption to be mailed by first-class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2024 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5<sup>th</sup>) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2024 Bonds for which notice was duly mailed in accordance with the Indenture. If the Trustee determines that the giving of notice by mail is not feasible, the Trustee may use any other industry acceptable means of giving notice including, but not limited to, facsimile or email provided the Trustee can establish such other means of giving notice was in fact given. Pursuant to the Indenture, the Trustee is authorized to give a conditional notice of redemption.

### **Purchase of Series 2024 Bonds**

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2024 Sinking Fund Account to the purchase of Series 2024 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

### **Book-Entry Only System**

*The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC, and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.*

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One (1) fully-registered Series 2024 Bond certificate will be issued for each maturity of the Series 2024 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over one hundred (100) countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust

companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has an S&P Global Ratings, a division of S&P Global Inc. rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series 2024 Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2024 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2024 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2024 Bond documents. For example, Beneficial Owners of Series 2024 Bonds may wish to ascertain that the nominee holding the Series 2024 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2024 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC’s MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, and principal and interest payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail

information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

Pursuant to the procedures of DTC, the District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2024 Bond certificates will be printed and delivered to DTC.

## **SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS**

### **General**

THE SERIES 2024 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2024 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2024 BONDS; HOWEVER, THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2024 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2024 BONDS. THE SERIES 2024 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2024 Bonds will be secured by a pledge of the Series 2024 Pledged Revenues. "Series 2024 Pledged Revenues" shall mean (a) all revenues received by the District from Series 2024 Special Assessments levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2024 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2024 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2024 Bonds; provided, however, that Series 2024 Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

“Series 2024 Special Assessments” shall mean the Special Assessments levied on the assessable lands within the District as a result of the District’s acquisition and/or construction of the 2024 Project, corresponding in amount to the debt service on the Series 2024 Bonds and designated as such in the Assessment Methodology (as hereinafter defined), which describes the methodology for allocating the Series 2024 Special Assessments to the assessable lands within the District, and which is included as APPENDIX D hereto. The Series 2024 Special Assessments will be levied pursuant to Section 190.022 of the Act, resolutions of the District adopted prior to delivery of the Series 2024 Bonds, as amended and supplemented from time to time (collectively, the “Assessment Resolutions”) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the “Assessment Proceedings”). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2024 Special Assessments will constitute a lien against the land as to which the Series 2024 Special Assessments are imposed. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

### **Assessment Methodology / Projected Level of District Assessments**

As set forth in the Assessment Methodology, the Series 2024 Special Assessments will be levied on \_\_\_ developed and platted lots within the Development and initially the remaining \_\_\_ +/- unplatted gross acres of land within the Development until such time as the remaining \_\_\_ planned lots within the Development are platted. As platting of the remaining \_\_\_ lots occurs, the Series 2024 Special Assessments will be assigned to such platted lots on a first-platted, first-assigned basis. Assuming that all of the 398 planned residential units within the Development are developed and platted, then the Series 2024 Special Assessments will be allocated on the per unit basis below and as set forth in the Assessment Methodology. See “ASSESSMENT METHODOLOGY” herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2024 Special Assessments Per Unit*/**</u>	<u>Series 2024 Bonds Par Debt Per Unit *</u>
Single-Family	398	[\$1,488]	[\$20,616]

\*Preliminary, subject to change.

\*\*This amount will be grossed up to include early payment discounts and County collection fees, currently six percent (6%).

The District anticipates levying assessments to cover its operation and administrative costs that are currently approximately \$100 per year per residential unit, net of early payment discounts, which amount is subject to change. In addition, residents will be required to pay homeowners association fees which are currently estimated to be \$\_\_\_ per year per residential unit, which amount is subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the District for 2023 was approximately 18.4894 mills, which millage rate is subject to change in future tax years. These taxes are payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Brevard County, Florida (“Brevard County Public Schools”) each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Fees and Assessments” for more information.

## **Additional Obligations**

In the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. Such covenant shall not prohibit the District from issuing refunding Bonds. In addition, the District will covenant in the Indenture not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within the District which secure the Series 2024 Special Assessments, until the Series 2024 Special Assessments are Substantially Absorbed. The District's covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. "Substantially Absorbed" is defined in the Indenture to mean the date on which at least seventy-five percent (75%) of the principal portion of the Series 2024 Special Assessments have been assigned to residential units within the District that have received certificates of occupancy. The District shall provide the Trustee with a certification that the Series 2024 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2024 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or other debt obligations secured by Special Assessments levied within the District, on the same lands as the Series 2024 Special Assessments at any time upon the written consent of the Majority Holders.

The District (subject to the foregoing paragraph) and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2024 Special Assessments without the consent of the Owners of the Series 2024 Bonds. See "– Assessment Methodology / Projected Level of District Assessments" above. As set forth above, the District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2024 Special Assessments, on the same lands upon which the Series 2024 Special Assessments are imposed, to fund the maintenance and operation of the District. See "BONDOWNERS' RISKS" and "THE 2024 PROJECT" herein.

## **Covenant Against Sale or Encumbrance**

In the Master Indenture, the District will covenant that (a) except for those improvements comprising any Project that are to be conveyed by the District to the City, the County, the State Department of Transportation or another governmental entity and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber any Project or any part thereof. See "APPENDIX A – PROPOSED FORMS OF INDENTURE" herein for more information.

## **Series 2024 Reserve Account**

The Indenture establishes a Series 2024 Reserve Account for the Series 2024 Bonds within the Debt Service Reserve Fund. The Series 2024 Reserve Account will, at the time of delivery of the Series 2024 Bonds, be funded from a portion of the proceeds of the Series 2024 Bonds in the amount of the initial Series 2024 Reserve Requirement. The "Series 2024 Reserve Requirement" or "Reserve Requirement" shall mean an amount initially equal to fifty percent (50%) of the maximum annual debt service with respect to the initial principal amount of the Series 2024 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions, the Series 2024 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2024 Bonds. "Release Conditions" shall mean all of the following: (a) all of the principal portion of the Series 2024 Special Assessments has been assigned to residential units that have received certificates of occupancy; and (b) no Event of Default under the Indenture has occurred, all as evidenced pursuant to the provisions of the First Supplemental Indenture. The Series 2024 Reserve Requirement is

also subject to reduction pursuant to the First Supplemental Indenture upon certain extraordinary mandatory redemptions. Any amount in the Series 2024 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2024 Bonds, be used to pay principal of and interest on the Series 2024 Bonds at that time. The initial Series 2024 Reserve Requirement shall be equal to \$\_\_\_\_\_.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee will determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2024 Bonds caused by investment earnings prior to the Completion Date to the Series 2024 Acquisition and Construction Account and after the Completion Date transferred to the Series 2024 Revenue Account in accordance with the Indenture.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account will be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2024 Special Assessments and applied to redeem a portion of the Series 2024 Bonds is less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Subject to the provisions of the First Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2024 Reserve Account shall be transferred by the Trustee to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving necessary notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with the provisions of the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account and pay such amount deposited in the Series 2024 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached to the First Supplemental Indenture to the District submitted by the Developer, which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2024 Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account and the Trustee has on file one or more properly executed unfunded requisitions. In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no unfunded requisitions on file with the Trustee, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

It shall be an Event of Default under the Indenture if at any time the amount in the Series 2024 Reserve Account is less than the Series 2024 Reserve Requirement as a result of the Trustee withdrawing

an amount therefrom to satisfy the Debt Service Requirement for the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

### **Deposit and Application of the Series 2024 Pledged Revenues**

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each December 15 commencing December 15, 2024, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding December 15, less any amounts on deposit in the Series 2024 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each June 15 commencing June 15, 2025, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding June 15, less any amount on deposit in the Series 2024 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each June 15, commencing June 15, 20\_\_, to the Series 2024 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such June 15, less any amount on deposit in the Series 2024 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding the June 15, which is a principal payment date for any Series 2024 Bonds, to the Series 2024 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds Outstanding maturing on such June 15, less any amounts on deposit in the Series 2024 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2024 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2024 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

## **Investments**

The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2024 Accounts in the Debt Service Fund and the Series 2024 Bond Redemption Account only in Government Obligations and other Investment Securities, as set forth in the Indenture. The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2024 Reserve Account in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for the purposes set forth in the Indenture. All securities securing investments pursuant to the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in Series 2024 Revenue Account. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof.

In the absence of written investment instructions from the District, the Trustee shall not be responsible or liable for keeping the moneys held by it pursuant to the Indenture invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the District and the District shall be responsible for ensuring that such instructions conform to requirements of the Master Indenture. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the District or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the District's written instructions as to both the suitability and legality of all investments directed under the Master Indenture or under any Supplemental Indenture. Ratings of investments shall be determined by the District at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month. See "APPENDIX A – PROPOSED FORMS OF INDENTURE" hereto.

The Trustee shall value the assets in each of the Funds and Accounts established under the Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date.

## **Covenant to Levy the Series 2024 Special Assessments**

The District has covenanted to levy the Series 2024 Special Assessments to the extent and in the amount sufficient to pay the debt service requirements on the Series 2024 Bonds. If any Series 2024 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2024 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2024

Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2024 Special Assessment to be made for the whole or any part of the improvement comprising the 2024 Project or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2024 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2024 Revenue Account. In case such second Series 2024 Special Assessment shall be annulled, the District shall obtain and make other Series 2024 Special Assessments until a valid Series 2024 Special Assessment shall be made.

### **Prepayment of Series 2024 Special Assessments**

Pursuant to the Assessment Proceedings, an owner of property subject to the Series 2024 Special Assessments may pay the principal balance of such Series 2024 Special Assessments, in whole or in part at any time, if there is also paid an amount equal to the interest that would otherwise be due on such balance to the earlier of the next succeeding Interest Payment Date, which is at least forty-five (45) days after the date of payment.

Pursuant to the Act, an owner of property subject to the levy of Series 2024 Special Assessments may pay the entire balance of the Series 2024 Special Assessments remaining due, without interest, within thirty (30) days after the 2024 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2024 Project pursuant to Chapter 170.09, Florida Statutes. The DRP Landowner and the Developer, as the majority owners of the assessed property within the District, will covenant to waive this right to prepay the Series 2024 Special Assessments without interest (without, however, limiting the right of property owners to prepay the Series 2024 Special Assessments with interest, as set forth in the Assessment Proceedings described above) in connection with the issuance of the Series 2024 Bonds pursuant to a “Declaration of Consent to Jurisdiction of Everlands II Community Development District (Imposition of Series 2024 Special Assessments, and Imposition of Lien of Record).” Such declaration will be recorded in the public records of the County, and the covenants contained therein will be binding on the DRP Landowner and the Developer, respectively, and its successors and assigns.

Any prepayment of Series 2024 Special Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2024 Bonds as indicated under “DESCRIPTION OF THE SERIES 2024 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption.” The prepayment of Series 2024 Special Assessments does not entitle the owner of the property to a discount for early payment.

### **Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners**

For purposes of this heading, (a) each Series of Bonds, including the Series 2024 Bonds, secured by and payable from Special Assessments, including the Series 2024 Special Assessments, levied against property owned by any Insolvent Taxpayer (as defined below) are collectively referred to herein as the “Affected Bonds” and (b) the Special Assessments levied against any Insolvent Taxpayer’s property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the “Affected Special Assessments.”

The following provisions of the Master Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Series 2024 Special Assessments (an “Insolvent Taxpayer”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Series 2024 Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Series 2024 Bonds or the Series 2024 Special Assessments, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly

or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Series 2024 Bonds or for as long as any Series 2024 Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Series 2024 Bonds or the Series 2024 Special Assessments or the Trustee. The District agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Master Indenture, the District acknowledges and agrees that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Master Indenture; (b) to the extent permitted by applicable law, the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing herein shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the issuer in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Bonds Outstanding whether such claim is pursued by the District or the Trustee; provided, however, the District shall not assert any claim seeking to reduce the amount of the Special Assessments.

## Events of Default and Remedies

Events of Default Defined. The Indenture provides that each of the following shall be an “Event of Default” under the Indenture, with respect to the Series 2024 Bonds:

(a) if payment of any installment of interest on any Series 2024 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2024 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, which failure or incapacity may reasonably be determined solely by the Majority Holders of the Series 2024 Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2024 Bond and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Series 2024 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2024 Reserve Account is less than the Series 2024 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the “maintenance special assessments” levied by the District on District Lands upon which the Series 2024 Special Assessments are levied to secure the Series 2024 Bonds pursuant to Section 190.021(3) of the Act, as amended, and collected directly by the District have become due and payable and have not been paid, within ninety (90) days when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Acceleration; Redemption. No Series of Bonds issued under the Master Indenture, which includes the Series 2024 Bonds, shall be subject to acceleration. Upon the occurrence and continuance of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2024

Bonds pursuant to the Indenture shall occur unless all of the Series 2024 Bonds where an Event of Default has occurred will be redeemed or one hundred percent (100%) of the Holders of the Series 2024 Bonds agree to such redemption.

Legal Proceedings by Trustee. If any Event of Default with respect to the Series 2024 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Series 2024 Bonds and receipt of indemnity to its satisfaction shall, in capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2024 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2024 Bondholders and to perform its or their duties under the Act;

(b) bring suit upon the Series 2024 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2024 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2024 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2024 Bonds.

Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

Bondholders May Direct Proceedings. The Majority Holders of the Outstanding Series 2024 Bonds then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with applicable law or the applicable provisions of the Indenture.

Limitations on Actions by Bondholders. No Series 2024 Bondholder shall have any right to pursue any remedy under the Indenture unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders of the Series 2024 Bonds shall have requested the Trustee, in writing, to exercise the powers granted in the Indenture or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities and (d) the Trustee shall have failed to comply with such request within a reasonable time.

Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under Article X of the Master Indenture with respect to the Series 2024 Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under Article X of the Master Indenture with respect to such Series 2024 Bonds, including counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Series 2024 Bonds in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Series 2024 Bonds which shall have become due in the order of their due dates, with interest on such Series 2024 Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Series 2024 Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Series 2024 Bond over another Bond or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the District or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct, provided however that the District shall be first entitled to recover any fees and costs of foreclosure or other proceedings incurred by the District in connection with enforcement of any delinquent Special Assessments.

Acknowledgment Regarding Series 2024 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and any other moneys held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (i) the Series 2024 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Revenues may not be used by the District (whether to pay costs of the 2024 Project or otherwise) without the consent of the Majority Holders, and (iii) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District covenants not to enter into any contract regarding the 2024 Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

## **ENFORCEMENT OF ASSESSMENT COLLECTIONS**

### **General**

The primary source of payment for the Series 2024 Bonds is the Series 2024 Special Assessments imposed on the assessable lands within the District specially benefited by the 2024 Project pursuant to the Assessment Proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX D – ASSESSMENT METHODOLOGY.”

The determination, order, levy, and collection of Series 2024 Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Brevard County Tax Collector (the “Tax Collector”) or the Brevard County Property Appraiser (the “Property Appraiser”) to comply with such requirements could result in a delay in the collection of, or the

complete inability to collect, Series 2024 Special Assessments during any year. Such delays in the collection of Series 2024 Special Assessments, or complete inability to collect any of the Series 2024 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on such Series 2024 Bonds. See “BONDOWNERS’ RISKS.” To the extent that landowners fail to pay the Series 2024 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds. The Act provides for various methods of collection of delinquent Series 2024 Special Assessments by reference to other provisions of the Florida Statutes. See “BONDOWNERS’ RISKS” herein. The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes, but is qualified in its entirety by reference to such statutes.

### **Alternative Uniform Tax Collection Procedure for Series 2024 Special Assessments**

The District will agree in the Indenture to collect the Series 2024 Special Assessments through the Uniform Method (as herein defined). Notwithstanding the foregoing, pursuant to the Indenture, the District shall directly bill the Series 2024 Special Assessments in lieu of using the Uniform Method with respect to any assessable lands which have not yet been platted or when the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the District otherwise. At such time as the Series 2024 Special Assessments are collected pursuant to the Uniform Method, the provisions under this heading shall become applicable.

The Florida Statutes provide that, subject to certain conditions, non-ad valorem special assessments may be collected by using the uniform method of collection (the “Uniform Method”). The Uniform Method is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2024 Special Assessments to be levied and then collected in this manner. Subject to the provisions of the Indenture, the District’s election to use a certain collection method with respect to the Series 2024 Special Assessments does not preclude it from electing to use another collection method in the future. See “ – Foreclosure” below with respect to collection of delinquent assessments not collected pursuant to the Uniform Method.

If the Uniform Method is utilized, the Series 2024 Special Assessments will be collected together with City, County, special district, and other ad valorem taxes and non-ad valorem assessments, all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in the District. The Florida Statutes relating to enforcement of ad valorem taxes and non-ad valorem assessments provide that such taxes and assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments (including the Series 2024 Special Assessments, if any, being collected by the Uniform Method) are to be billed, and landowners in the District are required to pay all such taxes and assessments, without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2024 Special Assessments. Upon any receipt of moneys by the Tax Collector from the Series 2024 Special Assessments, such moneys will be delivered to the District, which will remit such Series 2024 Special Assessments to the Trustee for deposit to the Series 2024 Revenue Account within the Revenue Fund, except that any Prepayments of Series 2024 Special Assessments shall be deposited to the Series 2024 Prepayment Subaccount within the Series 2024 Bond Redemption Account of the Bond Redemption Fund created under the Indenture and applied in accordance therewith.

All City, County, school and special districts, including the District, ad valorem taxes, non-ad valorem special assessments, including the Series 2024 Special Assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on bonds, are payable at one time, without preference

in payment of any particular increment of the tax bill (such as the increment owing for the Series 2024 Special Assessments), except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes, and when ad valorem taxes are challenged by the taxpayer as provided in Section 190.014, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. Except for such partial payments, if a taxpayer does not make complete payment of the total amount of all taxes and assessments (including the Series 2024 Special Assessments, if any, being collected by the Uniform Method), he or she cannot designate specific line items on his or her tax bill as deemed paid in full. In such cases, the Tax Collector does not accept such partial payment and the partial payment is returned to the taxpayer. Therefore, in the event the Series 2024 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item on a tax bill would cause the Series 2024 Special Assessments to not be collected as to that tax bill, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2024 Bonds. In cases where a taxpayer challenges the assessed value of property or otherwise challenges their ad valorem taxes to the County's value adjustment board, Section 190.014, Florida Statutes, requires payment of all of the non-ad valorem assessments and a partial payment of at least seventy-five percent (75%) of the ad valorem taxes (less the applicable discount), before the taxes become delinquent; if such payments are not made, the value adjustment board will deny the petition by April 20, and taxes are delinquent and collected as provided below.

Under the Uniform Method, if the Series 2024 Special Assessments are paid during November when due or during the following three (3) months, the taxpayer is granted a variable discount equal to four percent (4%) in November and decreasing one percent (1%) per month to one percent (1%) in February. All unpaid taxes and assessments become delinquent on April 1 of the year following assessment. The Tax Collector is required to collect the ad valorem taxes and non-ad valorem special assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such taxes and assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process.

Neither the District nor the Underwriter can give any assurance to the holders of the Series 2024 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2024 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2024 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2024 Special Assessments and all other liens that are coequal therewith. See "BONDOWNERS' RISKS" herein.

Collection of delinquent Series 2024 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2024 Special Assessments due. In the event of a delinquency in the payment of taxes and assessments on real property, the landowner may, prior to the sale of tax certificates, pay the total amount of delinquent ad valorem taxes and non-ad valorem assessments plus the cost of advertising and the applicable interest charge on the amount of such delinquent taxes and assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates on such property to the person who pays the delinquent taxes and assessments owing, penalties and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than eighteen percent (18%)). Tax certificates are sold by public bid. If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest (currently eighteen percent (18%)). The

Tax Collector does not collect any money if tax certificates are “struck off” (issued) to the County. The County may sell such certificates to the public at any time at the principal amount thereof plus interest at the rate of not more than eighteen percent (18%) per annum and a fee. Proceeds from the sale of tax certificates are required to be used to pay taxes and assessments (including the Series 2024 Special Assessments), interest, costs and charges on the real property described in the certificate. The demand for such certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2024 Special Assessments, which are the primary source of payment of the Series 2024 Bonds. Legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued or the property is placed on the list of lands available for sale, at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, charges and omitted taxes due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of five percent (5%), unless the rate borne by the certificates is zero percent (0%). The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described in the preceding paragraph.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven (7) years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two (2) years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven (7) years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due. If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two (2) years after April 1 of the year of issuance of the certificate. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholders of record, mortgagees of record, vendees of recorded

contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County may, at any time within ninety (90) days from the date of offering for public sale, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three (3) years from the date of delinquency, unsold lands escheat to the County in which they are located and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

## **Foreclosure**

The following discussion regarding foreclosure is not applicable if the Series 2024 Special Assessments are being collected pursuant to the Uniform Method. In the event that the District itself directly levies and enforces, pursuant to Chapters 170 and 190, Florida Statutes, the collection of the Series 2024 Special Assessments levied on certain lands within the District, Chapter 170.10, Florida Statutes, provides that upon the failure of any property owner to pay all or any part of the principal of a special assessment, including an Series 2024 Special Assessment, or the interest thereon, when due, the governing body of the entity levying the assessment is authorized to commence legal proceedings for the enforcement of the payment thereof, including commencement of an action in chancery, commencement of a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or commencement of an action under Chapter 173, Florida Statutes, relating to foreclosure of municipal tax and special assessment liens. Such a proceeding is in rem, meaning that it is brought against the land not against the owner. In light of the one (1) year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2024 Special Assessments and the ability to foreclose the lien of such Series 2024 Special Assessments (if not being collected pursuant to the Uniform Method) upon the failure to pay such Series 2024 Special Assessments may not be readily available or may be limited as such enforcement is dependent upon judicial action which is often subject to discretion and delay.

## **BONDOWNERS' RISKS**

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2024 Bonds offered hereby and are set forth below. Prospective investors in the Series 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2024 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2024 Bonds.

1. The DRP Landowner and the Developer currently own a majority of the lands within the District that will be subject to the Series 2024 Special Assessments securing the Series 2024 Bonds. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS” herein. Payment of the Series 2024 Special Assessments is primarily dependent upon their timely payment by the DRP Landowner, the Developer and the other future landowners in the District. See “THE DEVELOPER AND THE DRP LANDOWNER” herein. In the event of the institution of bankruptcy or similar proceedings with respect to the DRP Landowner, the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2024 Bonds, as such bankruptcy could negatively impact the ability of: (i) the DRP Landowner, the Developer and any other landowner being able to pay the Series 2024 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2024 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2024 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2024 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2024 Bonds, including, without limitation, enforcement of the obligation to pay the Series 2024 Special Assessments and the ability of the District to foreclose the lien of the Series 2024 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds (including Bond Counsel’s approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2024 Bonds could have a material adverse impact on the interest of the Owners thereof.

2. The principal security for the payment of the principal and interest on the Series 2024 Bonds is the timely collection of the Series 2024 Special Assessments. The Series 2024 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners will be able to pay the Series 2024 Special Assessments or that they will pay such Series 2024 Special Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2024 Special Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates. The assessment of the benefits to be received by the benefited land within the District as a result of implementation and development of the 2024 Project is not indicative of the realizable or market value of

the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the 2024 Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2024 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2024 Special Assessments, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2024 Bonds.

3. The development of the 2024 Project is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner or failure to maintain or renew any such approvals in a timely manner could delay or adversely affect the completion of the development of the Development. See “THE DEVELOPMENT – Zoning and Permitting,” and “– Environmental” herein for more information.

4. The successful development of the Development and the sale of residential units therein, once such residential units are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer and the DRP Landowner. Moreover, the Developer and the DRP Landowner have the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District. The Developer and other affiliates of the Developer, have and are developing other residential communities in other market areas, and may prioritize the development and sales of residential units among their various other developments, from time to time, and make no representation or agreement to prioritize development and sales within the Development.

5. The value of the lands subject to the Series 2024 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition, such catastrophic events could potentially render the District lands unable to support the development and construction of the Development within the District. The occurrence of any such events could materially adversely impact the District’s ability to pay principal and interest on the Series 2024 Bonds. The Series 2024 Bonds are not insured and the District’s casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

6. Neither the DRP Landowner, the Developer nor any other subsequent landowner has any personal obligation to pay the Series 2024 Special Assessments. As described herein, the Series 2024 Special Assessments are an imposition against the land only. Neither the DRP Landowner, the Developer nor any other landowner is a guarantor of payment of any Series 2024 Special Assessment and the recourse for the failure of the DRP Landowner, the Developer or any other landowner to pay the Series 2024 Special Assessments is limited to the collection proceedings against the land as described herein.

7. The willingness and/or ability of an owner of benefited land to pay the Series 2024 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the City, the County or any other local special purpose or general purpose governmental entities. City, County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2024 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap

those of the District could, without the consent of the owners of the land within the District or the owners of the Series 2024 Bonds, impose additional taxes on the property within the District. The District will continue to impose operation and maintenance assessments encumbering the same property encumbered by the Series 2024 Special Assessments. In addition, lands within the District may also be subject to assessments by property and homeowners' associations.

8. The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2024 Bonds. Because the Series 2024 Bonds are being sold pursuant to exemptions from registration under applicable securities laws, no secondary market may develop and an owner may not be able to resell the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2024 Bonds, depending on the progress of development of the Development, existing real estate and financial market conditions and other factors.

9. In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2024 Special Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2024 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale if the Uniform Method is not be utilized. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein. If the District has difficulty in collecting the Series 2024 Special Assessments, the Series 2024 Reserve Account could be rapidly depleted and the ability of the District to pay debt service could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2024 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2024 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2024 Special Assessments in order to provide for the replenishment of the Series 2024 Reserve Account.

10. The value of the land within the District, the success of the development of the District Lands, and the likelihood of timely payment of principal and interest on the Series 2024 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the District Lands, and the likelihood of the timely payment of the Series 2024 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. The Developer obtained a Phase I Environmental Site Assessment dated May 2022, covering the land in the Development, which revealed no evidence of recognized environmental conditions. The Developer is not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See "THE DEVELOPMENT – Environmental" for more information on the Developer's environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District and that such conditions could have a material and adverse impact upon the value of the Development, and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the District Lands.

11. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2024 Special Assessments if not being collected pursuant to the Uniform Method, such landowners may raise affirmative defenses to such foreclosure action which, although the District believes that such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2024 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of Series 2024 Bond proceeds that can be used for such purpose.

12. Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2024 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2024 Special Assessment even though the landowner is not contesting the amount Series 2024 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers to pay all non-ad valorem taxes and at least seventy-five percent (75%) of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

13. A 2011 bankruptcy court decision in Florida held that only the governing body of a community development district could vote to approve a reorganization plan submitted by the developer/debtor in the case and, thus, the bondholders of such district were not able to vote for or against the plan. The governing body of that district was affiliated with the debtor. As a result of the reorganization plan that was approved, the bondholders were denied payment of their bonds for two (2) years or longer. The Indenture provides that for as long as any Bonds remain Outstanding, in any proceeding involving the District, the Developer or other “obligated person” (as defined in the herein defined Disclosure Agreement) (as used herein, the “Landowner”) or the Special Assessments, the District shall be obligated to act in accordance with direction from the Trustee, and the Trustee shall be obligated to act in accordance with direction from the Beneficial Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds, with regard to all matters directly or indirectly affecting the Bonds. Furthermore, pursuant to the Indenture, the District will acknowledge and agree that, although the Series 2024 Bonds were issued by the District, the Beneficial Owners of the Series 2024 Bonds are categorically the party with a financial stake in the repayment of the Series 2024 Bonds and, consequently, the party with a vested interest in a Proceeding. In the event of any Proceeding involving any Landowner (a) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Special Assessments, the Series 2024 Bonds or any rights of the Trustee with respect to this paragraph or Series 2024 Bondholders under the Indenture that is inconsistent with any direction from the Trustee, (b) the Trustee shall have the right, but is not obligated to, vote in any such Proceeding any and all claims of the District relating to the Series 2024 Special Assessments or the Series 2024 Bonds, and, if the Trustee chooses to exercise such right, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Landowner, including without limitation, the right to file and/or prosecute any claims, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (c) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good

faith or any valuations of any lands submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District's claim with respect to the Series 2024 Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree in the Indenture that the Trustee shall have the right (i) to file a proof of claim with respect to the Series 2024 Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of Developer." The District cannot express any view whether such delegation would be enforceable.

14. The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. The IRS conducted a lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three (3) sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it will withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their

entirety.” On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts’ bonds’ tax-exempt status, but has advised such districts that such districts must have public electors within five (5) or six (6) years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six (6) years and there are two hundred fifty (250) qualified electors in the district. Currently, all of the current members of the Board are employees of, or affiliated with, the Developer. The Developer will certify as to its expectations as to the timing of the transition of control of the Board to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that it elects. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2024 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2024 Bonds are advised that, if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2024 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds would adversely affect the availability of any secondary market for the Series 2024 Bonds. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2024 Bonds be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties, but because the interest rate on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2024 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2024 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2024 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2024 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

15. In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2024 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”), relating to securities issued by political subdivisions. In that event the Owners of the

Series 2024 Bonds would need to ensure that subsequent transfers of the Series 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

16. From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if enacted into law or upheld, could alter or amend one or more of the federal tax matters described herein including, without limitation, the excludability from gross income of interest on the Series 2024 Bonds, adversely affect the market price or marketability of the Series 2024 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. However, it cannot be predicted whether or in what form this proposed legislation or any other such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2024 Bonds. If enacted into law, such legislative proposals could affect the market price or marketability of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

17. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2024 Project, that the District will be able to raise, through the issuance of bonds or otherwise, the moneys necessary to complete the 2024 Project. The Developer will enter into a completion agreement with the District that will obligate the Developer to complete the unfinished portions of the 2024 Project not funded with the proceeds of the Series 2024 Bonds and an additional series of bonds. Such obligation of the Developer is an unsecured obligation. Pursuant to the First Supplemental Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. Such covenant shall not prohibit the District from issuing refunding Bonds. In addition, the District will covenant in the Indenture not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within the Development which secure the Series 2024 Special Assessments, until the Series 2024 Special Assessments are Substantially Absorbed. The District's covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations" and "THE DEVELOPER" herein for more information.

18. In addition, the Developer and the DRP Landowner will also execute and deliver to the District a Collateral Assignment, pursuant to which the Developer and the DRP Landowner will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer and the DRP Landowner, development rights relating to the 2024 Project and the development of the Development. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2024 Special Assessments as a result of the DRP Landowner's, the Developer's or subsequent landowner's failure to pay such Series 2024 Special Assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the 2024 Project or the development of the Development. All such obligations of the Developer and the DRP Landowner are unsecured obligations. See "THE DEVELOPER AND THE DRP LANDOWNER" herein.

19. It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor

General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the “Executive Order”) directing the Office of Policy and Budget in the Executive Office of the Governor (“OPB”) to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2024 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that “The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders.”

20. In the event a bank forecloses on property within the Development because of a default on the mortgage in favor of such bank, and then the bank itself fails and the Federal Deposit Insurance Corporation (the “FDIC”) is appointed as receiver, the FDIC would then become the fee owner of such property. In such event, the FDIC would likely, pursuant to its own rules and regulations, not be liable to pay the Series 2024 Special Assessments levied against such property. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action if the Series 2024 Special Assessments are not being collected pursuant to the Uniform Method.

21. The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties’ digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2024 Bonds.

22. The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the DRP Landowner, the timely and successful completion of the Development and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also “BONDOWNERS’ RISKS – No. 4” and “–No. 17” herein.

23. In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2024 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2024 Special Assessments by owners of the property within the Development. Any such redemptions of the Series 2024 Bonds would be at the principal amount of such Series 2024 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2024 Bonds may not realize their anticipated rate of return on the Series 2024 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2024 Bonds. See “DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions” and “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Special Assessments” herein for more information.

## **THE DISTRICT**

### **General Information**

The District was established by Ordinance No. 2023-27 enacted by the City Council on July 20, 2023, under the provisions of the Act. The Development is located on St Johns Heritage Parkway and Pace Drive NW, approximately 7 miles west of Interstate-95 and 12 miles south of Melbourne Orlando International Airport and encompasses approximately 143.73+/- gross acres (the “District Lands”). The District lies entirely within the incorporated area of the City within the County and is being developed as part of a larger master planned residential community known as “Everlands II.” See “THE DEVELOPMENT” herein.

### **Legal Powers and Authority**

The District is an independent special-purpose unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District’s Board of Supervisors, as the District’s governing body (the “Board”), the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances, and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of the District to pursue any remedy for enforcement of any lien or pledge of the Series 2024 Pledged Revenues in connection with the Series 2024 Bonds.

### **Board of Supervisors**

The Board is composed of five (5) Supervisors (the “Supervisors”). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two (2)

Supervisors receiving the highest number of votes to serve for four (4) years and the remaining Supervisors to serve for a two-year term. Three (3) of the five (5) Supervisors are elected to the Board every two (2) years in November. At such election the two (2) Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least two hundred fifty (250) qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one (1) vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least two hundred fifty (250) qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen (18) years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two (2) Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act. All of the current members of the Board are employees of the Developer.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below.

<b><u>Name</u></b>	<b><u>Title</u></b>	<b><u>Term Expires</u></b>
Gregory Jason Pettibon*	Chairperson	November, 2027
Chris Cutler*	Vice-Chairperson	November, 2027
Bojana Brown*	Assistant Secretary	November, 2025
Haley Mall*	Assistant Secretary	November, 2025
Jared Shaver*	Assistant Secretary	November, 2025

\* Employee of Lennar Homes.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

### **The District Manager and Other Consultants**

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Special District Services, Inc., Palm Beach Gardens, Florida, to serve as its district manager ("District Manager"). The District Manager's office is located at 2501A Burns Road, Palm Beach Gardens, Florida 33410, telephone number (877) 737-4922.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; B.S.E. Consultants, Inc., Melbourne, Florida, as District Engineer; and Billing, Cochran, Lyles, Mauro & Ramsey, P.A., Fort Lauderdale, Florida, as District Counsel. The Board has also retained Special District Services, Inc., Palm Beach Gardens, Florida, to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as Dissemination Agent for the Series 2024 Bonds.

### **No Prior Indebtedness**

The District has not previously issued any other bonds or indebtedness.

## THE 2024 PROJECT

The District Lands encompass approximately 143.73+/- gross acres planned for 398 residential units and are being developed as a residential community to be marketed under the name “Riverwood at Everlands” (the “Development”). The Development is located within a master planned community known as “Everlands” (the “Master Development”). The Master Development is planned to contain approximately 4,000 residential units at buildout. The Master Development is planned to consist of multiple community development districts that will be created over time to facilitate the financing of the public infrastructure for the Master Development.

B.S.E. Consultants, Inc. (the “District Engineer”) prepared a report entitled Everlands II Community Development District Engineering Report dated October 2023 (the “Engineer’s Report”). The Engineer’s Report sets forth certain on-site and off-site public infrastructure improvements related to the 398 residential units planned for the Development (the “2024 Project”)

The Series 2024 Bonds are being issued to finance a portion of the 2024 Project. The District Engineer, in the Engineer’s Report estimates the total cost to complete the 2024 Project to be \$11,914,433.04, as more particularly described below.

<b>Description</b>	<b>Total</b>
Mass Grading	\$ 3,235,984.85
Phase 1 Improvements	3,321,719.05
Phase 2 Improvements	1,040,988.75
Phase 3 Improvements	2,533,654.40
Phase 4 Improvements	1,506,773.60
Offsite Improvements	<u>275,312.39</u>
<b>Total:</b>	<b>\$11,914,433.04</b>

Land development within the Development will occur in approximately four phases. Land development associated with the first two phases of the Development planned for \_\_\_ lots is [complete] and such \_\_\_ lots are developed and platted. Land development associated with the remaining two phases of the Development planned for \_\_\_ lots is [substantially complete], with final completion expected by \_\_\_\_\_ 20\_\_\_. ## THE DEVELOPMENT

### General

The District Lands encompass approximately 143.73+/- gross acres located entirely within the incorporated area of the City within the County and constitute a portion of a master planned community known as “Everlands” (the “Master Development”). The Master Development encompasses approximately 1,814+/- gross acres and is planned to contain approximately 4,000 residential units at buildout, of which 398 residential units are planned for the District Lands to be marketed under the name “Riverwood at Everlands” (the “Development”). The Master Development is planned to consist of multiple community development districts that will be created over time to facilitate the financing of the public infrastructure for the Master Development. As of the date hereof, the following two community development districts have been created: (i) Everlands Community Development District (“Everlands CDD”) and (ii) Everlands II Community Development District (the “District”). See “– Update on Everlands CDD” herein for more information. The Master Development is located on St. Johns Heritage Parkway and Pace Drive NW, approximately 7 miles west of Interstate-95 and 12 miles south of Melbourne Orlando International Airport.

The Series 2024 Bonds are being issued to finance a portion of the 2024 Project. The Series 2024 Bonds will be secured by the Series 2024 Special Assessments, which will be levied on \_\_\_ developed and platted lots within the District and initially the remaining \_\_\_ +/- unplatted gross acres of land within the District until such time as the remaining \_\_\_ planned lots within the District are platted. As platting of the remaining \_\_\_ lots occurs, the Series 2024 Special Assessments will be assigned to such platted lots on a first-platted, first-assigned basis as set forth in the Assessment Methodology attached hereto. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein.

DRP FL 6, LLC, a Delaware limited liability company (the “DRP Landowner”) is the primary owner of the assessable lands within the Development. The DRP Landowner entered into a Construction Agreement dated May 27, 2022, as may be amended and supplemented from time to time (the “Construction Agreement”) with Lennar Homes, LLC, a Florida limited liability company (the “Developer”) pursuant to which the Developer will manage the installation of infrastructure improvements for 1,338 lots within the Master Development (including the 398 lots in the Development). In addition, the DRP Landowner entered into the Option Agreement with the Developer pursuant to which the Developer has the option to purchase such 1,338 lots within the Master Development (including the 398 lots in the Development) in a series of takedowns. The Developer will construct and market such residential units for sale to homebuyers. As of the date hereof, the DRP Landowner owns the land planned for \_\_\_ lots within the Development and the Developer owns \_\_\_ lots within the Development. See “THE DEVELOPER AND THE DRP LANDOWNER” herein for more information regarding the Developer and the DRP Landowner and see “THE DEVELOPMENT – Development Plan / Status” herein for a summary of the current development status of the Development.

Sales of residential units within the Development have commenced. As of the date hereof, \_\_\_ residential units within the Development have been sold pending closing. Approximately \_\_\_ residential units are currently under construction within the Development. Closings with homebuyers are expected to commence by \_\_\_\_\_ 20\_\_.

At build-out, the Development is expected to contain of 398 single-family detached homes. Single-family detached homes will range in size from approximately [1,448 square feet to 2,889 square feet] and starting price points will range from approximately [\$320,990 to \$478,990]. The Development will be a non-age restricted production community and the target customers for units within the Development are first time homebuyers and move-up buyers. See “– Residential Product Offerings” herein for more information.

### **Update on Everlands CDD**

The Everlands CDD consists of 341.51+/- gross acres of land which are planned to contain 1,002 residential units. Two assessment areas were created to facilitate the Everlands CDD’s financing plans. Assessment Area One consists of 162 developed and platted lots (the “Everlands CDD Assessment Area One”). Assessment Area Two consists of 291.11+/- gross acres of land which are planned to contain 840 lots (the “Everlands CDD Assessment Area Two”). The two assessment areas within the Everlands CDD correspond to two separate residential communities known as (i) Edgewood at Everlands, a non-age restricted production community within Everlands CDD Assessment Area One (“Edgewood”) and (ii) Timbers at Everlands, a 55+ age-restricted “active adult” community within Everlands CDD Assessment Area Two (“Timbers”).

In October 2021, the Everlands CDD issued bonds to finance a portion of the public infrastructure improvements associated with the Everlands CDD Assessment Area One. Land development associated with such Assessment Area One is complete and all 162 lots have been developed and platted. As of the date hereof, [160] residential units within such Assessment Area One have closed with homebuyers and the

remaining [2] residential units within such Assessment Area One are being utilized as model homes. The Everlands CDD Assessment Area One consists entirely of single-family detached homes which are being marketed without age-restriction.

Land development associated with the Everlands CDD Assessment Area Two will occur in phases. The initial phases of the Everlands CDD Assessment Area Two contain 380 developed and platted lots (the “Everlands CDD Assessment Area Two – 2024 Project Area”). In March 2024, the Everlands CDD previously issued bonds to finance a portion of the public infrastructure improvements associated with the Everlands CDD Assessment Area Two. Land development for the 380 lots within the Everlands CDD Assessment Area Two – 2024 Project Area is complete. As of the date hereof, \_\_\_\_ homes within the Everlands CDD Assessment Area Two – 2024 Project Area have sold and closed with homebuyers and an additional \_\_\_\_ homes are under contract pending closing. Land development associated with the remaining 460 lots planned for the Everlands CDD Assessment Area Two is underway and will be financed by an additional series of bonds in the future.

### **Land Acquisition and the Option Agreement**

The DRP Landowner acquired the lands planned for 1,338 lots within the Master Development (which includes the 398 lots within the Development) on May 27, 2022 for approximately \$13,613,484. There are currently no mortgages on the lands within the Development.

The DRP Landowner entered into a Construction Agreement dated May 27, 2022, as may be amended and supplemented from time to time (the “Construction Agreement”) with the Developer pursuant to which the Developer will manage the installation of infrastructure improvements for 1,338 lots within the Master Development (including the 398 lots in the Development). Pursuant to the Construction Agreement, the DRP Landowner is obligated to reimburse the Developer the associated costs incurred in accordance with the terms of such Construction Agreement and the construction budget attached thereto. The Developer is obligated to pay all cost overruns.

The Developer and the DRP Landowner entered into an Option Agreement dated May 27, 2022, as may be amended and supplemented from time to time (the “Option Agreement”). Pursuant to the Option Agreement, the Developer paid the DRP Landowner an initial option payment in the aggregate amount of \$7,136,688.29 (the “Option Payment”) for the right to acquire 1,338 developed lots within the Master Development (including the 398 lots in the Development) at approximately (i) \$47,464.19 per paired villa unit, (ii) \$38,339.25 per townhome lot, (iii) \$51,189.22 per single-family forty-foot (40’) lot, (iv) \$58,554.50 per single-family fifty-foot (50’) lot, and (v) \$71,015.96 per single-family sixty-foot (60’) lot. The Option Payment is nonrefundable except in the event of a default by the DRP Landowner and is to be applied against lot takedowns in accordance with the terms of the Option Agreement.

Pursuant to the Option Agreement, the initial takedown of \_\_\_\_ lots within the Development occurred in \_\_\_\_\_ 20\_\_, the second takedown of \_\_\_\_ lots within the Development occurred in \_\_\_\_\_ 20\_\_, and the third takedown of \_\_\_\_ lots within the Development occurred in \_\_\_\_\_ 20\_\_. The remaining takedowns are required to occur every three months thereafter until all remaining lots owned by the DRP Landowner have been acquired. The Developer has the right to acquire the lots early, subject to an early purchase premium, and to terminate the Option Agreement at any time upon delivery of written notice to the DRP Landowner. As of the date hereof, the DRP Landowner owns the land planned for \_\_\_\_ lots within the Development and the Developer owns \_\_\_\_ lots within the Development.

**Development Finance Plan**

The Developer estimates that the costs to complete the Development, including the 2024 Project, will be approximately \$ \_\_\_\_ million. As of the date hereof, approximately \$ \_\_\_\_ million has been spent towards land development associated with the Development. The net proceeds of the Series 2024 Bonds to be deposited in the Series 2024 Acquisition and Construction Account will be approximately \$7.43 million\*. The Developer will enter into a completion agreement with the District that will obligate the Developer to complete the unfinished portions of the 2024 Project not funded with the proceeds of the Series 2024 Bonds and an additional series of bonds. Such obligation of the Developer is an unsecured obligation. See “BONDOWNERS’ RISKS – No. 17” herein.

**Development Plan / Status**

Land development within the Development will occur in approximately four phases. Land development associated with the first two phases of the Development planned for \_\_\_\_ lots is [complete] and such \_\_\_\_ lots are developed and platted. Land development associated with the remaining two phases of the Development planned for \_\_\_\_ lots is [substantially complete], with final completion expected by \_\_\_\_ 20\_\_\_. A final plat for \_\_\_\_ lots was recorded on \_\_\_\_ 20\_\_\_. A final plat for the remaining \_\_\_\_ lots is expected to be recorded by August 2024.

Sales of residential units within the Development have commenced. As of the date hereof, \_\_\_\_ residential units within the Development have been sold pending closing. Approximately \_\_\_\_ residential units are currently under construction within the Development. Closings with homebuyers are expected to commence by \_\_\_\_ 20\_\_.

The Developer anticipates that approximately \_\_\_\_ residential units within the Development will be sold and closed with homebuyers per annum until build out. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

**Residential Product Offerings**

The Development is being marketed as a non-age restricted production community and the target customers for units within the Development are first time homebuyers and move-up buyers. The following table reflects the Developer’s current expectations for the residential units to be constructed within the Development, along with the number of bedrooms, bathrooms, square footages, estimated home prices, all of which are subject to change. [Confirm Table Below]

As set forth in the Assessment Methodology, the Series 2024 Special Assessments will be levied on \_\_\_\_ developed and platted lots within the Development and initially the remaining \_\_\_\_ +/- unplatted gross acres of land within the Development until such time as the remaining \_\_\_\_ planned lots within the Development are platted. As platting of the remaining \_\_\_\_ lots occurs, the Series 2024 Special Assessments will be assigned to such platted lots on a first-platted, first-assigned basis. Assuming that all of the 398 planned residential units within the Development are developed and platted, then the Series 2024 Special Assessments will be allocated on the per unit basis below and as set forth in the Assessment Methodology. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein.

Single-Family	398	[\$1,488]	[\$20,616]

\*Preliminary, subject to change.

\*\*This amount will be grossed up to include early payment discounts and County collection fees, currently six percent (6%).

The District anticipates levying assessments to cover its operation and administrative costs that are currently approximately \$100 per year per residential unit, net of early payment discounts, which amount

is subject to change. In addition, residents will be required to pay homeowners association fees which are currently estimated to be \$ \_\_\_\_ per year per residential unit, which amount is subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the District for 2023 was approximately 18.4894 mills, which millage rate is subject to change in future tax years. These taxes are payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the Brevard County Public Schools each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Students in high school are expected to attend [Heritage] High School, which was rated “C” by the Florida Department of Education for 2023.

## **Competition**

The following communities have been identified by the Developer as being competitive with the Development, because of their proximity to the Development, price ranges, product types and target market for homebuyers: [St. John’s Preserve], [Heritage Lake], [Avery Springs}, and [Brentwood].

The information under this heading does not purport to list all of the existing or planned communities in the area of the Development, but rather provide a list of those that the Developer feels pose primary competition to the Development.

### **ASSESSMENT METHODOLOGY**

#### **General**

The Master Special Assessment Methodology Report for the District dated October 13, 2023 (the "Master Methodology"), as supplemented by the First Supplemental Special Assessment Methodology Report for the District to be dated the date of the Series 2024 Bonds (the "Supplemental Methodology" and, together with the Master Methodology, the "Assessment Methodology"), which describes the methodology for allocation of the Series 2024 Special Assessments to the lands within the Development, has been prepared by Special District Services, Inc., Palm Beach Gardens, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2024 Bonds are determined, the Supplemental Methodology will be amended to reflect such final terms.

Once levied and imposed, the Series 2024 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government, excluding federal tax liens. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

### Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2024 Special Assessments will be levied on \_\_\_ developed and platted lots within the Development and initially the remaining \_\_\_ +/- unplatted gross acres of land within the Development until such time as the remaining \_\_\_ planned lots within the Development are platted. As platting of the remaining \_\_\_ lots occurs, the Series 2024 Special Assessments will be assigned to such platted lots on a first-platted, first-assigned basis. Assuming that all of the 398 planned residential units within the Development are developed and platted, then the Series 2024 Special Assessments will be allocated on the per unit basis below and as set forth in the Assessment Methodology. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein.

Product Type	No. of Units	Annual Series 2024 Special Assessments Per Unit**	Series 2024 Bonds Par Debt Per Unit *
Single-Family	398	[\$1,488]	[\$20,616]

\*Preliminary, subject to change.

\*\*This amount will be grossed up to include early payment discounts and County collection fees, currently six percent (6%).

The District anticipates levying assessments to cover its operation and administrative costs that are currently approximately \$100 per year per residential unit, net of early payment discounts, which amount is subject to change. In addition, residents will be required to pay homeowners association fees which are currently estimated to be \$ \_\_\_ per year per residential unit, which amount is subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the District for 2023 was approximately 18.4894 mills, which millage rate is subject to change in future tax years. These taxes are payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the Brevard County Public Schools each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

### True-Up Mechanism

The Assessment Methodology sets forth a “true-up mechanism” which provides that at the time of plat or re-plat, each residential unit is assessed no more than its pro-rata amount of the maximum annual debt service. If the sum of the number of assessable residential dwelling units in the proposed plat or re-plat and all prior plats (the “Planned Assessable Units”) and the amount of potential remaining assessable dwelling units (the “Remaining Assessable Units”) are less than 380 residential units (the “Total Assessable Units”), the Developer or the DRP Landowner, as applicable, will be obligated by the District to remit to the District an amount of money sufficient to enable the District to retire an amount of the Series 2024 Bonds such that the amount of debt service allocated to each Planned Assessable Unit does not exceed the amount of debt service that would have been allocated thereto had the total number of Planned Assessable Units been 380 residential units. Conversely, if the Planned Assessable Units or the mix of residential units is greater than the Total Assessable Units, then, there will be a pro-rata decrease in the annual non-ad

valorem assessments to all of the benefited properties. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism”.

## **TAX MATTERS**

### **General**

The Internal Revenue Code of 1986, as amended (the “Code”), includes requirements which the District must continue to meet after the issuance of the Series 2024 Bonds in order that the interest on the Series 2024 Bonds be and remain excludable from gross income for federal income tax purposes. The District’s failure to meet these requirements may cause the interest on the Series 2024 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2024 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2024 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, the interest on the Series 2024 Bonds is excludable from gross income of the holders thereof for federal income tax purposes. Interest on the Series 2024 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2024 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2024 Bonds and the income thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the status of interest on the Series 2024 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2024 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2024 Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2024 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2024 Bonds, or the ownership or disposition of the Series 2024 Bonds. Prospective purchasers of Series 2024 Bonds should be aware that the ownership of Series 2024 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2024 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2024 Bonds, (iii) the inclusion of the interest on the Series 2024 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2024 Bonds in the passive income subject to federal income taxation of certain Subchapter S

corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2024 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2024 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2024 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2024 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and are not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

### **Original Issue Discount and Premium**

Certain of the Series 2024 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2024 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Series 2024 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

*Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.*

## **Changes in Federal and State Tax Law**

From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one (1) or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2024 Bonds, adversely affect the market price or marketability of the Series 2024 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

## **Information Reporting and Backup Withholding**

Interest paid on tax-exempt bonds such as the Series 2024 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2024 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2024 Bonds, under certain circumstances, to “backup withholding” at the rates set forth in the Code, with respect to payments on the Series 2024 Bonds and proceeds from the sale of Series 2024 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2024 Bonds. This withholding generally applies if the owner of Series 2024 Bonds (i) fails to furnish the payor such owner’s social security number or other taxpayer identification number (“TIN”), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other “reportable payments” as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner’s securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2024 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

## **AGREEMENT BY THE STATE**

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2024 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds, including the Series 2024 Bonds, and that it will not in any way impair the rights or remedies of such holders.

## **LEGALITY FOR INVESTMENT**

The Act provides that the Series 2024 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities which may be deposited by banks or trust companies as security for deposits of

state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

### **SUITABILITY FOR INVESTMENT**

In accordance with applicable provisions of Florida law, the Series 2024 Bonds may initially be sold by the District only to “accredited investors” within the meaning of Chapter 517, Florida Statutes, and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds. Investment in the Series 2024 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2024 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2024 Bonds does not purchase at least \$100,000 of the Series 2024 Bonds at the time of initial delivery of the Series 2024 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the Series 2024 Bonds the investor letter in the form attached to the Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an “accredited investor,” as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

### **ENFORCEABILITY OF REMEDIES**

The remedies available to the Owners of the Series 2024 Bonds upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2024 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

### **LITIGATION**

#### **The District**

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2024 Bonds, or in any way contesting or affecting (i) the validity of the Series 2024 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2024 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

#### **The Developer**

There is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2024 Project or the development of the District Lands, as described herein, materially and adversely affect the ability of the Developer to pay the Series 2024 Special Assessments imposed against the land within the

District owned by the Developer or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

### **The DRP Landowner**

There is no litigation of any nature now pending or, to the knowledge of the DRP Landowner, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the Assessment Area Three Project or the development of Assessment Area Three, as described herein, materially and adversely affect the ability of the DRP Landowner to pay the Series 2024 Special Assessments imposed against the land within the District owned by the DRP Landowner or materially and adversely affect the ability of the DRP Landowner to perform its various obligations described in this Limited Offering Memorandum.

### **CONTINGENT FEES**

The District has retained Bond Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2024 Bonds. Except for the payment of fees to the District Engineer, District Counsel and the Methodology Consultant, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2024 Bonds.

### **NO RATING**

No application for a rating for the Series 2024 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2024 Bonds would have been obtained if application had been made.

### **EXPERTS**

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by B.S.E. Consultants, Inc., Melbourne, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Special District Services, Inc., Palm Beach Gardens, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2024 Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

### **FINANCIAL INFORMATION**

This District will covenant in the Disclosure Agreement (as herein defined), the form of which is set forth in APPENDIX E hereto, to provide its annual audit to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Markets Access repository ("EMMA") as described in APPENDIX E, commencing with the audit for the District fiscal year ending September 30, 2024. Since its creation, the expenses of the District have been funded entirely by voluntary contributions from the Developer. The Series 2024 Bonds are not general obligation bonds of the District and are payable solely from the Series 2024 Pledged Revenues.

Each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, Florida Statutes, as amended. Under such statute, each district must post its proposed budget, final budget, most recent final audit report and a link to the Department of Financial Services' website on the district website. The District currently has a website in place and is presently in compliance with the statutory guidelines required by Section 189.069, Florida Statutes, as amended.

## **DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS**

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District is not and has never been in default as to principal or interest on its bonds or other debt obligations.

## **CONTINUING DISCLOSURE**

The District, the Developer and the DRP Landowner will enter into Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in Appendix E, for the benefit of the Series 2024 Bondholders (including owners of beneficial interests in such Bonds), respectively, to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") and to provide notice of the occurrence of certain listed events with MSRB through EMMA. The specific nature of the information to be contained in the Reports and a description of the listed events are set forth in "Appendix E – PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District, the Developer or the DRP Landowner to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2024 Bondholders (including owners of beneficial interests in such Bonds), as applicable, to bring an action for specific performance.

The District has not previously entered into continuing disclosure obligations in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule"). The District appointed the District Manager to serve as the initial dissemination agent under the Disclosure Agreement.

Also, pursuant to the Disclosure Agreement, the Developer and the DRP Landowner will covenant to provide certain financial information and operating data relating to the Development, the Developer and the DRP Landowner, as applicable, on a quarterly basis. The Developer has represented and warranted that to its knowledge it has provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule. The Developer has been made aware of instances where the information required to be provided to the dissemination agents was not timely requested, not filed with the appropriate repository or, if filed, not filed on a timely basis. The Developer has represented that it has instituted internal processes to provide information to the dissemination agents on a timely basis and obtained assurances from the dissemination agents that they will in turn request the required reporting information timely and file such information timely with the appropriate repository. The DRP Landowner has represented and warranted that to its knowledge it has provided on a timely basis all reporting information requested by the applicable

dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule.

## **UNDERWRITING**

FMSbonds, Inc. (the “Underwriter”) has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2024 Bonds from the District at a purchase price of \$\_\_\_\_\_ (representing the par amount of the Series 2024 Bonds, [plus/less net original issue premium/discount of \$\_\_\_\_\_ and] less an Underwriter’s discount of \$\_\_\_\_\_). The Underwriter’s obligations are subject to certain conditions precedent and, subject to satisfaction or waiver of such conditions, the Underwriter will be obligated to purchase all of the Series 2024 Bonds if any are issued.

The Underwriter intends to offer the Series 2024 Bonds to accredited investors at the offering prices set forth on the inside cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Series 2024 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

## **VALIDATION**

The Series 2024 Bonds to be issued pursuant to the Indenture were validated by final judgment of the Circuit Court of the Eighteenth Judicial Circuit of Florida in and for the County, rendered on January 5, 2024. The period of time for appeal of the judgment of validation of the Series 2024 Bonds expired on February 4, 2024, with no appeals being taken.

Bond Counsel’s opinion included herein as Appendix B is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of delivery of the Series 2024 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel’s attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel’s opinion is not a guarantee of a particular result, and are not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel’s professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

## **MISCELLANEOUS**

Any statements made in this Limited Offering Memorandum involving matters of opinion or estimates, whether or not expressly so stated, are set forth as such and not as representations of fact, and no representations are made that any of the estimates will be realized.

The Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Disclosure Agreement; *provided that* the Audited Financial Statements of the Issuer may be submitted separately from the balance of the Annual Report, and may be submitted in accordance with State law, which currently requires such Audited Financial Statements to be provided up to, but no later than, nine (9) months after the close of the Issuer’s Fiscal Year (the “Audited Financial Statements Filing Date”). (c) If the Dissemination Agent has not received an Annual Report by 12:00 noon on the first (1<sup>st</sup>) Business Day following the Annual Filing Date for the Annual Report or the Audited Financial Statements by 12:00 noon on the first (1<sup>st</sup>) Business Day following the Audited Financial Statements Filing Date for the Audited Financial Statements, then a Listed Event as described in Section 6(a)(xvii) shall have occurred and the Issuer irrevocably directs the Dissemination Agent to immediately send a notice to the Repository in substantially the form attached as Exhibit A.

Notwithstanding the foregoing, the Developer, so long as it is an Obligated Person, shall prepare the Quarterly Report for the calendar quarter ending December 31 of each year no later than thirty (30) days after the end of such calendar quarter and provide such Quarterly Report to the Dissemination Agent, regardless of whether or not the Developer receives a written request from the Dissemination Agent pursuant to the preceding sentence for such Quarterly Report. The Dissemination Agent shall provide all such Quarterly Reports to each Repository promptly upon receipt but in no event later than the corresponding Quarterly Filing Date. Notwithstanding the foregoing, if and for so long as the Developer is a reporting company, such thirty (30) days shall be extended to the date of filing of the Primary Developer's 10K or 10Q, if later, as the case may be. The Transferor Obligated Person shall notify the District and the Dissemination Agent in writing of any Transfer within five (5) Business Days of the occurrence thereof. Nothing herein shall be construed to relieve the Developer or the DRP Landowner, as applicable, from its obligations hereunder except to the extent a written Assignment from a Transferee is obtained and delivered to the Dissemination Agent and then only to the extent of such Assignment.

(d) If the Dissemination Agent has not received a Quarterly Report from each Obligated Person that contains, at a minimum, the information in Section 5(b) of this Disclosure Agreement by 12:00 noon on the first (1st) Business Day following each Quarterly Filing Date, a Listed Event described in Section 6(a)(xvii) shall have occurred and the District and each Obligated Person hereby direct the Dissemination Agent to send a notice to the Repository in substantially the form attached as Exhibit A, with a copy to the District. 8. **Prior Undertakings.** Except as otherwise disclosed in the Limited Offering Memorandum, each of the Developer and the DRP Landowner hereby represents and warrants that to its knowledge it has provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule. The Developer has been made aware of instances where the

10. **Amendment; Waiver.** Notwithstanding any other provision of this Disclosure Agreement, the Issuer, the Developer and the Dissemination Agent may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws, acceptable to the Issuer, to the effect that such amendment or waiver would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment and/or waiver in the next Annual Report and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change in accounting principles, or the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements: (i) notice of such change shall be given in the same manner as for a Listed Event under Section 6(b); and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

A default under this Disclosure Agreement by any Obligated Person, the Disclosure Representative or Dissemination Agent shall not be deemed a default by the Issuer hereunder and no default hereunder shall be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer, the Disclosure Representative, any Obligated Person, or a Dissemination Agent, to comply with this Disclosure Agreement shall be an action to compel performance.

The District, the Developer, the DRP Landowner and the Disclosure Representative acknowledge and agree that the information to be collected and disseminated by the Dissemination Agent will be provided by the District, Obligated Person(s), the Disclosure Representative and others. The Dissemination Agent's duties do not include authorship or production of any materials, and the Dissemination Agent shall have no responsibility hereunder for the content of the information provided to it by the District, any Obligated Person or the Disclosure Representative as thereafter disseminated by the Dissemination Agent. Any filings under this Disclosure Agreement made to the MSRB through EMMA shall be in an EMMA Compliant Format and shall include the applicable CUSIP number(s) for the Bonds set forth in Exhibit A hereto, to which any such filing relates.

14. **Beneficiaries.** This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Developer, the DRP Landowner, the Dissemination Agent, the Trustee, the Participating Underwriter and the Owners of the Bonds (the Dissemination Agent, Participating Underwriter and Owners of the Bonds being hereby deemed express third party beneficiaries of this Disclosure Agreement), and shall create no rights in any other person or entity.

15. **Tax Roll and Budget.** Upon the request of the Dissemination Agent, the Trustee or any Bondholder, the Issuer, through its District Manager, if applicable, agrees to provide such party with a certified copy of its most recent tax roll provided to the Brevard County Tax Collector and the Issuer's most recent adopted budget.

16. **Governing Law.** The laws of the State of Florida and Federal law shall govern this Disclosure Agreement and venue shall be any state or federal court having jurisdiction in Brevard County, Florida.

18. **Trustee Cooperation.** The Issuer represents that the Dissemination Agent is a bona fide agent of the Issuer and the Issuer instructs the Trustee to deliver to the Dissemination Agent at the expense of the Issuer, any information or reports in the possession of or readily available to the Trustee which the Dissemination Agent requests in writing.

19. **Binding Effect.** This Disclosure Agreement shall be binding upon each party to this Disclosure Agreement and upon each successor and assignee of each party to this Disclosure Agreement and shall inure to the benefit of, and be enforceable by, each party to this Disclosure Agreement and each successor and assignee of each party to this Disclosure Agreement. Notwithstanding the foregoing, as to the Developer, the DRP Landowner or any assignee or successor thereto that becomes an Obligated Person pursuant to the terms of this Disclosure Agreement, only successor or assignees to such parties who are, by definition, Obligated Persons, shall be bound or benefited by this Disclosure Agreement.

Upon any redemption of Series 2024 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2024 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2024 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

**SECTION 4.01.**      Establishment of Certain Funds and Accounts.

(a) The Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2024 Acquisition and Construction Account.” Net proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, together with any other moneys that may be transferred to the Series 2024 Acquisition and Construction Account as provided for herein. Such moneys in the Series 2024 Acquisition and Construction Account shall be disbursed by the Trustee as set forth in Section 5.01 of the Master Indenture and this Section 4.01(a), and upon disbursement, the Issuer shall apply such moneys as provided for herein and in the Acquisition Agreement. Subject to the provisions of Section 4.01(f) hereof, any moneys remaining in the Series 2024 Acquisition and Construction Account after the Completion Date, and after the expenditure of all moneys remaining therein that have not been requisitioned after satisfaction of the Release Conditions, except for any moneys reserved therein for the payment of any costs of the 2024 Project owed but not yet requisitioned, as evidenced in a certificate from the Consulting Engineer to the Trustee, upon which the Trustee may conclusively rely, and the adoption of a resolution by the Issuer accepting the 2024 Project, as evidenced by a certificate from the District Manager delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account. Subject to the provisions of Section 4.01(f) hereof, the Series 2024 Acquisition and Construction Account shall be closed upon the expenditure or transfer of all funds therein including moneys deposited therein as a result of satisfaction of the Release Conditions. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2024 Acquisition and Construction Account and make payment to the Persons so designated in such requisition. Pursuant to the Master Indenture, the Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2024 Costs of Issuance Account.” Net proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2024 Costs of Issuance Account to pay the costs of issuing the Series 2024 Bonds. Six months after the issuance of the Series 2024 Bonds, any moneys remaining in the Series 2024 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2024 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Series 2024 Bonds shall be paid from excess Series 2024 Pledged Revenues on deposit in the Series 2024 Revenue Account in accordance with Section 4.02 SEVENTH. When there are no further moneys therein, the Series 2024 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the “Series 2024 Revenue Account.”

Series 2024 Special Assessments (except for Prepayments of Series 2024 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2024 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2024 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Indenture.

(c) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2024 Principal Account.” Moneys shall be deposited into the Series 2024 Principal Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture, and applied for the purposes provided therein.

(d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2024 Interest Account.” Moneys deposited into the Series 2024 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2024 Sinking Fund Account.” Moneys shall be deposited into the Series 2024 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2024 Reserve Account.” Proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2024 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this First Supplemental Indenture.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2024 Bonds caused by investment earnings to be transferred to the Series 2024 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2024 Special Assessments and applied to redeem a portion of the Series 2024 Bonds is less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2024 Reserve Account shall be transferred by the Trustee to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account and pay such amount deposited in the Series 2024 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached hereto as Exhibit “C” to the Issuer submitted by the Developer, which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2024 Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account and the Trustee has on file one or more properly executed unfunded requisitions. In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no unfunded requisitions on file with the Trustee, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the “Series 2024 Bond Redemption Account” and within such Account, a “Series 2024 General Redemption Subaccount,” a “Series 2024 Optional Redemption Subaccount,” and a “Series 2024 Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2024 Bonds, moneys to be deposited into the Series 2024 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2024 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account (including all earnings on investments held in such Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2024 Bonds equal to the amount of money transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2024 Rebate Fund designated as the “Series 2024 Rebate Fund.” Moneys shall be deposited into the Series 2024 Rebate Fund, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Any moneys on deposit in the Series 2024 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2024 Bonds pursuant to Section 3.01(a) hereof.

**SECTION 4.02.** Series 2024 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each December 15 commencing December 15, 2024, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding December 15, less any amounts on deposit in the Series 2024 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each June 15 commencing June 15, 2025, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding June 15, less any amount on deposit in the Series 2024 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each June 15, commencing June 15, 2025, to the Series 2024 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such June 15, less any amount on deposit in the Series 2024 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each June 15, which is a principal payment date for any Series 2024 Bonds, to the Series 2024 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds Outstanding maturing on such June 15, less any amounts on deposit in the Series 2024 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the

amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2024 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2024 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund , in which case, the Issuer shall direct the Trustee to make such deposit thereto.

**SECTION 4.03.**     Power to Issue Series 2024 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2024 Bonds, to execute and deliver the Indenture and to pledge the Series 2024 Pledged Revenues for the benefit of the Series 2024 Bonds to the extent set forth herein. The Series 2024 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2024 Bonds, except as otherwise permitted under the Master Indenture. The Series 2024 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2024 Bonds under the Indenture against all claims and demands of all persons whomsoever.

**SECTION 4.04.**     2024 Project to Conform to Consulting Engineers Report. Upon the issuance of the Series 2024 Bonds, the Issuer will promptly proceed to construct or acquire the 2024 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

**SECTION 4.05.**     Prepayments; Removal of the Series 2024 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2024 Special Assessments may, at its option, or as a result of acceleration of the Series 2024 Special Assessments because of non-payment thereof or as a result of true-up payment, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2024 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2024 Special Assessment, which shall constitute Series 2024 Prepayment Principal, plus accrued interest to the next succeeding Interest Payment Date (or the next succeeding Interest Payment Date if such Prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to the Series 2024 Special Assessment owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2024 Bonds, in the event the amount in the Series 2024 Reserve Account will exceed the applicable Reserve

Requirement as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting redemption of the Series 2024 Bonds in accordance with Section 3.01(b)(i) of this First Supplemental Indenture, the excess amount shall be transferred from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account as a credit against the Series 2024 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel. Upon written instructions to the Trustee of the District Manager, on behalf of the Issuer, upon which the Trustee may conclusively rely, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2024 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2024 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2024 Bonds, there will be sufficient Series 2024 Pledged Revenues to pay the principal and interest, when due, on all Series 2024 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2024 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2024 Special Assessment has been paid in whole or in part and that such Series 2024 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Series 2024 Prepayment Principal. The Issuer shall calculate the amount available for extraordinary mandatory redemption of the Series 2024 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days before each Quarterly Redemption Date and the Trustee will withdraw money from the Series 2024 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the District. No credit shall be given if as a result the Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall, upon authorization from the District, withdraw moneys from the Series 2024 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2024 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2024 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

## **ARTICLE V**

### **COVENANTS AND DESIGNATIONS OF THE ISSUER**

**SECTION 5.01.**     Collection of Series 2024 Special Assessments. Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Series 2024 Special Assessments relating to the acquisition and construction of the 2024 Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2024 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2024 Special Assessments, and to levy the Series 2024 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2024 Bonds when due. All Series 2024 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

**SECTION 5.02.**     Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

**SECTION 5.03.**     Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2024 Accounts and subaccounts therein created hereunder.

**SECTION 5.04.**     Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. Such covenant shall not prohibit the Issuer from issuing refunding Bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within the District which secure the Series 2024 Special Assessments, until the Series 2024 Special Assessments are Substantially Absorbed. The Issuer’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Issuer shall provide the Trustee with a certification that the Series 2024 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2024 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2024 Special Assessments, at any time upon the written consent of the Majority Holders.

**SECTION 5.05.** Acknowledgement Regarding Series 2024 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that, upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, (i) the Series 2024 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) the Series 2024 Pledged Revenues may not be used by the Issuer (whether to pay costs of the 2024 Project or otherwise) without the consent of the Majority Holders, and (iii) the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. Prior to any action by the Trustee under this Section 5.05 or Section 10.05 of the Master Indenture, the Majority Holders shall provide the Trustee an indemnification regarding any actions so directed. The Issuer also acknowledges and agrees that from and after an Event of Default, the Trustee is authorized to exercise the Issuer's rights under the Collateral Assignment at the direction of the Majority Holders but without the consent or approval of the Issuer and the Issuer covenants not to enter into any contract regarding the 2024 Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

**ARTICLE VI**  
**THE TRUSTEE; THE PAYING AGENT AND REGISTRAR**

**SECTION 6.01.**     Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created and agrees to perform such trusts upon the terms and conditions set forth in the Indenture. The Trustee agrees to act as Paying Agent and Registrar for the Series 2024 Bonds.

**SECTION 6.02.**     Trustee's Duties. The Trustee shall not be responsible in any manner for the due execution of this First Supplemental Indenture by the Issuer or for the recitals contained herein (except for the certificate of authentication on the Series 2024 Bonds), all of which are made solely by the Issuer. Nothing contained herein shall limit the rights, benefits, privileges, protection and entitlement inuring to the Trustee under the Master Indenture.

**SECTION 6.03.**     Brokerage Confirmations. The Issuer acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Issuer the right to receive individual confirmations of security transactions at no additional cost, as they occur, the Issuer specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Issuer periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

The Series 2024 Bonds are being issued under authority of the laws and Constitution of the State of Florida, including particularly the Act, to pay the costs of constructing and/or acquiring the 2024 Project (as defined in the herein referred to Indenture). The Series 2024 Bonds shall be issued as fully registered bonds in authorized denominations, as set forth in the Indenture. The Bonds are issued under and secured by a Master Trust Indenture dated as of \_\_\_\_\_ 1, 2024 (the “Master Indenture”), as amended by a First Supplemental Trust Indenture dated as of \_\_\_\_\_ 1, 2024 (the “First Supplemental Indenture” and together with the Master Indenture, the “Indenture”), each by and between the Issuer and the Trustee, executed counterparts of which are on file at the designated corporate trust office of the Trustee in Fort Lauderdale, Florida.

Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Series 2024 Bonds issued under the Indenture, the operation and application of the Debt Service Fund, the Series 2024 Reserve Account within the Debt Service Reserve Fund and other Funds and Accounts (each as defined in the Indenture) charged with and pledged to the payment of the principal of and the interest on the Series 2024 Bonds, the levy and the evidencing and certifying for collection, of the Series 2024 Special Assessments, the nature and extent of the security for the Bonds, the terms and conditions on which the Series 2024 Bonds are issued, the rights, duties and obligations of the Issuer and of the Trustee under the Indenture, the conditions under which such Indenture may be amended without the consent of the registered owners of the Series 2024 Bonds, the conditions under which such Indenture may be amended with the consent of the Majority Holders of the Series 2024 Bonds outstanding, and as to other rights and remedies of the registered owners of the Series 2024 Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

It is expressly agreed by the owner of this Bond that such owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, the City, the County, the State or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, the County, the State or any other political subdivision thereof, for the payment of the principal of and interest on this Bond or the making of any other sinking fund and other payments provided for in the Indenture, except for the Series 2024 Special Assessments to be assessed and levied by the Issuer as set forth in the Indenture.

By the acceptance of this Bond, the owner hereof assents to all the provisions of the Indenture.

This Bond is payable from and secured by Series 2024 Pledged Revenues, as such term is defined in the Indenture, all in the manner provided in the Indenture. The Indenture provides for the levy and the evidencing and certifying, of non-ad valorem assessments in the form of the Series 2024 Special Assessments to secure and pay the Bonds.

The Series 2024 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the redemption price of the Series 2024 Bonds shall be made on the dates specified below. Upon any redemption of Series 2024 Bonds other than in accordance with scheduled mandatory sinking fund redemption, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2024 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2024 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption

or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

#### Optional Redemption

The Series 2024 Bonds may, at the option of the Issuer, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after June 15, 20XX (less than all Series 2024 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2024 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2024 Optional Redemption Subaccount of the Series 2024 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

Extraordinary Mandatory Redemption in Whole or in Part

The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date.

(i) from Series 2024 Prepayment Principal deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account (taking into account the credit from the Series 2024 Reserve Account pursuant to the provisions of the First

Supplemental Indenture) following the payment in whole or in part of Series 2024 Special Assessments on any assessable lands within the District in accordance with the provisions of Section 4.05 of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2024 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2024 Rebate Fund, the Series 2024 Costs of Issuance Account and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account not otherwise reserved to complete the 2024 Project (including any amounts transferred from the Series 2024 Reserve Account) all of which have been transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

Except as otherwise provided in the Indenture, if less than all of the Bonds subject to redemption shall be called for redemption, the particular Bonds or portions of such Bonds to be redeemed shall be selected randomly by the Trustee, as provided in the Indenture.

Notice of each redemption of the Bonds is required to be mailed by the Trustee by class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to each Registered Owner of the Bonds to be redeemed at the address of such Registered Owner recorded on the bond register maintained by the Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Trustee or the Paying Agent, all as provided in the Indenture, the Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Bonds or such portions thereof on such date, interest on such Bonds or such portions thereof so called for redemption shall cease to accrue, such Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Trustee or the Paying Agent. Further notice of redemption shall be given by the Trustee to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Notwithstanding the foregoing, the Trustee is authorized to give conditional notice of redemption as provided in the Master Indenture.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for three (3) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the Issuer, thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Defeasance Securities (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of such Bonds as to the trust estate with respect to such Bonds shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

The Issuer shall keep books for the registration of the Bonds at the designated corporate trust office of the Registrar in Fort Lauderdale, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment of or on account of the principal of and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in connection with the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that
